A **WEIGHTY** decision rests with catcher Kevin Madden (left) of the minor league Oaks as he discusses an early-season problem with pitcher Rex Scatena during the opening game of the Orinda Summer Baseball League's 1960 season Saturday. The Oaks played the Bees on the Pine Grove diamond as the fifth and sixth graders got competition started for another season. —Sun photo by Mattson.

**CRIES OF "Play Ball"** were heard throughout Orinda Saturday as the 1960 season of the Orinda Baseball League got under way on all of the available diamonds in the community. In action between the minor league Oaks and Bees on the Pine Grove field, batter Danny Thor of the Oaks waits for a pitch while Bees catcher Gary Baker readies his mitt. There will be no games tomorrow because of the Memorial Day weekend. —Sun photo by Mattson.

## Teachers Group Approves Miramonte Scholarship

Members of the Orinda Teachers Organization created a \$100 annual scholarship for a graduating Miramonte High School senior interested in a teaching career last week, on the recommendation of the group's teacher education and professional standards committee.

The six members of the committee, headed by Vince Mahoney of Pine Grove School, spent nearly a full year investigating and forming the proposal which was approved by the full OTO membership last week.

**FIRST** presentation of the new student scholarship will be made to a June 1961 graduate, and the \$100 award will be made every year or every other year thereafter. Funds for the scholarship will come from the OTO general treasury.

Recipients of the award will be selected by a special OTO scholarship committee appointed each year.

The committee must be made up of the OTO president, vice president, TEPS committee chairman, Miramonte principal, Miramonte head counselor and one Orinda elementary school principal appointed by the OTO president.

**STUDENT** applications will be filed for the scholarship with the head counselor of the Orinda high school. April 1 has been suggested as the annual deadline for applications.

To qualify for the scholarship, high school students must: Be a graduating senior at Miramonte; have attended for one full year one of Orinda's elementary or intermediate schools;

have exhibited outstanding citizenship during his or her attendance at Miramonte; have a scholarship average of B minus or higher; and express a serious interest in preparing for a career as a teacher.

In addition to Mahoney, members of the TEPS committee were Ruth Ray, Inland Valley; Vern Robertson, Del Rey; Patricia Roberts, Sleepy Hollow; Francis Lach, Glorietta; and Nan Christopherson, Orinda.

## School District Picks Single Fee

The Orinda Union School District board of trustees voted Tuesday night to inform the Central Contra Costa Sanitary District the district prefers to pay a sanitary district connection fee rather than a monthly sewer use charge.

Directors of the sanitary district have asked school districts throughout the area to indicate their preference between the two charges.

The \$110 connection fee per classroom is assessed at the time school buildings are constructed, while the sewer use charge would be a continuing expense.

James Jentges, assistant superintendent for business affairs, told trustees, "It would be foolish for state-aided districts to select the monthly use charge since the connection fees are included in the costs of construction."

## Leagues Open Play With High Scoring Games

High-scoring games featured the full slate of activity at Saturday's opening of the 1960 Orinda Baseball League season, with all peanut and minor league teams getting their first action of the year.

There will be no games tomorrow because of the Memorial Day weekend, but a full schedule will be resumed June 4.

In addition, the seventh and eighth grade major league teams will open their season June 4.

**Saturday's scores:**  
Panut League: Wildcats 10, Broncos 9; Badgers 11, Rams 11 (tie); Lions 12, Huskies 4; Bruins 12, Jaguars 7; Bombers 19, Jets 5; Rockets 17, Rangers 9; Hawks 22, Raiders 9; Eagles 5, Falcons 3.

**Minor League:** Oaks 9, Bees 7; Beavers 14, Solons 6; Seals 11, Padres 9; Rainiers 7, Mounties 2; Missions 20, Maple Leafs 17; Royals 7, Pelicans 2; Monarchs 7, Colonels 5; Bears 5, Blues 3.

## Buchter to Draft Plans For Center

Construction of a \$2 million planned business area in Orinda Village is expected to begin within a few months. It will be built on seven acres of land adjacent to the new Lucky market in Orinda, formerly Hagstrom's.

The property is owned by Jack Buchter, Robert Bolman and Dr. Wayne M. Caygill.

Now in the negotiation stage are the proposed new Post Office, expected to cost about \$150,000. Among other commercial facilities to be included are a department store, variety, men's shop, furniture store and drug store.

All structures are to be contemporary in feeling, according to the architect, Jack Buchter, AIA, and Associates of Lafayette.

Buchter said preliminary plans and site plans are now under study for the best possible relationship of stores to each other and to needs of the community. He said there will be parking for several hundred cars, with complete access to the front and rear of all buildings.

Construction is expected to require two years.

## Hall Gives Summary of May 3 Meet

Here is a statement by Dr. Ralph Hall of the Acalanes School board in which he presents a summary of the May 3 meeting at his house.

Dr. Hall lists the opinions expressed by the parents and his summary. Dr. Hall says:

Recently I was asked to meet with a small group of Miramonte parents to discuss some of their concerns regarding the Miramonte High School program. This request was discussed by me with other members of the Board, Mr. Parsons, and Mr. Lewis, and I asked Dr. Wendt and Dr. Appleby to attend this meeting with me. Accordingly, on the evening of May 3, an augmented group of 15 parents met at my home at 7:30 p.m.

During the discussion the following opinions were expressed by one or more parents:

1. A more complete program of class offerings for non-college students (shop classes, business education, etc.) should be provided.

2. More counseling time for students is desired.

3. The cumulative effect of competitive pressures exercised by parents and school on individual students for academic achievement and recognition was described.

4. Efforts should be continued to develop the highest possible degree of sympathetic understanding in the treatment of students and their problems, and in the application of school rules and regulations.

5. It was suggested that special effort should be made to help parents and teachers become better acquainted with each other.

6. It was suggested that a more effective program of school-parent communication should be developed.

7. The desire was expressed that parents should be fully informed regarding the similarities of the high school students in the District in regard to their scholastic abilities, achievements and program needs.

It is my opinion that general satisfaction with the Miramonte academic program was expressed by a large majority of this group. I felt that this meeting was basically constructive and helpful, and that those present represent interested and responsible elements of the community.

## Crowd Critical of Standards at Miramonte; Trustees Tell Policy

By DICK OSBORN

"Don't wait for the pot to boil..." This was the advice of William Lee, chairman of the Acalanes High School District Board of trustees. It was presented to an overflow crowd Monday night at the regular meeting of the trustees at Acalanes High School.

Two matters on the agenda brought forth so many people that the meeting had to be adjourned from the regular board room to the cafeteria. They were:

1. The situation at Miramonte High School. Approximately 75 Orinda residents appeared to hear the discussion.

2. Discussion of teacher salary scales for next year.

The Miramonte problem appeared on the agenda as a result of a meeting between some 15 Orinda parents and trustee Dr. Ralph Hall on May 3. The results of this meeting were carried in The Sun.

Lee opened the session by stating that it was regrettable that the newspaper report of the meeting at Hall's house had not been more accurate, but that as a result 31 parents and one Miramonte graduate had called the school district. Of these calls, said Lee, 25 expressed satisfaction with the administration and program at Miramonte and seven were critical.

LEE TOLD the crowd that "We (the board) appreciate our staff members and are confident of their abilities. We invite criticism and comment from parents."

Mrs. William Gilmore said, "We agree. But I feel that the only time we get anybody to listen to us is when we start a mass movement. We felt that it was necessary to let this come to a head. We tried to keep it under wraps and nice and polite, but we had to let it out."

"The meeting was kept to just a few people... it wasn't a mass meeting."

A Mrs. Liebold said, "It looked to me like two different meetings. I'm not sure the one that was described in the paper was the same one I attended. On the other hand, there were 15 people there and we came out with 15 interpretations of what it was all about." I guess it was a good thing the article was written."

Kenneth Humphries told the board, "I would like to comment on the severity of the grading system at Miramonte. I have picked up hitchhiking kids, who have transferred to Miramonte from another school district, and they told me that although they formerly got good grades, they are now 'C' students at Miramonte."

HE ALSO SAID that the children in the accelerated classes are being graded on a stricter schedule than are the youngsters in the regular classes, and that thus those taking accelerated classes actually run the danger of not getting scholarships.

Superintendent of Schools Neil Parsons replied that he had checked the grading and that there is no appreciable difference between the number of "A" and "B" grades given at Miramonte and those given at the other schools in the district.

"In fact," said Parsons, "the grades run about 41 per cent A's and B's, 34 per cent C's and 25 per cent D's, F's and incomplete grades."

He noted that these figures were arrived at after a district study on 14,000 grades.

He said, "We expect the grades to be better in an accelerated class than in an ordinary class and we don't grade on curves."

AT THIS, there was a comment from many of the parents of "You do, too," to which Parsons replied, "I'm sorry, I can't agree with you. If we did, there would be as many D and F grades as there are A's and B's, but we give considerably more of the higher grades."

Mrs. Gilmore answered, "We know the grading is more strict at Miramonte. Isn't there some way of not punishing a child for going to Miramonte?"

Mrs. Merle Olson told the board that she had checked with Oakland, Piedmont and Berkeley high schools and had been able to get the grade point average of the graduates over a three year period from them, but had been unable to get the same information from the Acalanes district, and implied that she had been given

## Association Directors Tell Special Meet Plans

A special public meeting of the Orinda Association board of directors has tentatively been scheduled for June 13 for the purpose of discussing the development of the Pine Grove area.

President Vic Kingston of the association presented a proposed site plan for the area to directors at their regular meeting Monday night.

The site plan was delivered to Kingston earlier the same evening by representatives of the Associated Investment Corporation of Oakland, owners of the 10½ acre site.

The owners propose to locate modern, ranch-type administrative offices on the property.

**LAST MONTH** the association's planning committee reported favorably on the office proposal, but suggested more definite plans be submitted before the association make any official recommendations.

The owners are asking the support of the association in a request for four setback and land usage variances. The land falls under strict A-O county zoning, which requires a County Board of Supervisors' action to make any changes.

Presentation of the site plan, drawn by Orindan James Rector Lucas for the owners, was the fulfillment of the association's request.

**ACCORDING** to the site plan, the owners propose 25 per cent of the land for buildings, 18 per cent for parking, 25 per cent for landscaping and 32 per cent for access. In footage, the use breaks down as follows:

Buildings, 116,800 square feet; parking, 80,000 square feet; landscaping, 117,400 square feet; and access, 159,900 square feet.

Kingston said the site plan will be discussed at a special meeting of the planning committee sometime next week, and recommendations will be presented to the directors at the June 13 meeting.

The president indicated that the site plan shows the development adjacent to the Pine Grove School property, with parking stalls facing the school.

He explained that filling operations were begun May 16, and two days later, the work was completed.

Haslam, whose wife is a director of the Orinda Association, said the Utah work has destroyed the view from his home and may pose a drainage and slide problem in the future.

"We have to look up to see the sky from our living room now," Haslam told the directors.

Haslam's principal objection was that Utah refuses to pave the steep bank, which is adjacent to the Haslam property.

Vic Kingston, Orinda Association president, said, the association is willing to assist the neighborhood group, but it should not lead the fight before county officials. He advised Welsh to call a meeting of the neighborhood group to determine what the residents want to do about the matter.

Vern Cline of the County Public Works Department told The Sun this week that the Utah Construction Company is within its rights on the property.

HE SAID the drainage of the new subdivision is controlled by the county, and that a subdivision map and bond presented by Utah have been approved by the county.

The county official stated that Utah has employed the standard method of developing hillside areas.

## Saenger Resigns Directorship To Move To New York

David Saenger, 25 Lost Valley Drive, resigned his post as a director of the Orinda Association Monday night because a job transfer requires his moving to New York within the next few weeks.

Saenger asked that the resignation be effective "about July 1." President Vic Kingston of the association said suggestions for new directors from Zone V — Saenger's area — will be accepted at the next meeting of the association directors.

**ACCORDING** to the association's by-laws, the directors must fill an unexpired directorship for the remainder of the calendar year. Therefore, next January 1, a new director will be elected to fill Saenger's term for the remaining year.

Saenger was elected last December over Lovick Borden Pearce, 22 Oak Drive. He succeeded Harry Booth in the Zone V directorship.

The three-year Orinda resident is a native of Woodland and he has been employed as a research engineer with the California Research Corporation, a subsidiary of Standard Oil of California, for the last 14 years.

**IN HIS** new post, Saenger will be in technical sales for the Orinite Chemical Company in New York City, another Standard Oil of California subsidiary.

## Residents Complain Of Utah Tract

A group of residents from the Ranchitas Association has asked the Orinda Association's board of directors for assistance in combatting what the residents consider an infringement of their properties by the Utah Construction Company.

The group, led by Ranchitas President W. D. Welsh, 201 Ivy Drive, appeared at Monday night's meeting of the directors to complain of Utah's land operations on the 207-Lot Tract 2710 behind Ramona Drive.

WELSH SAID that the company has placed a 45-foot high bank behind the home of Robert Haslam, 14 Ramona Drive, where previously there was only a culvert.

He explained that filling operations were begun May 16, and two days later, the work was completed.

Haslam, whose wife is a director of the Orinda Association, said the Utah work has destroyed the view from his home and may pose a drainage and slide problem in the future.

"We have to look up to see the sky from our living room now," Haslam told the directors.

Haslam's principal objection was that Utah refuses to pave the steep bank, which is adjacent to the Haslam property.

Vic Kingston, Orinda Association president, said, the association is willing to assist the neighborhood group, but it should not lead the fight before county officials. He advised Welsh to call a meeting of the neighborhood group to determine what the residents want to do about the matter.

Vern Cline of the County Public Works Department told The Sun this week that the Utah Construction Company is within its rights on the property.

HE SAID the drainage of the new subdivision is controlled by the county, and that a subdivision map and bond presented by Utah have been approved by the county.

The county official stated that Utah has employed the standard method of developing hillside areas.

The county official stated that Utah has employed the standard method of developing hillside areas.

**GIRLS' STATE** participants from this area have been named by American Legion Auxiliary of Post 517 in Lafayette. They are Joan Whitehead (left) of Acalanes High School and Barbara Jean Syverud of Miramonte High School. Outstanding high school juniors from throughout California will attend the Girls' State session at the Davis campus of the University of California June 20 through 28. The girls were selected by the faculty at their respective schools.

—Dave Ogden photo.

## Girls' State Representatives Are Announced

The American Legion Auxiliary, Department of California, Girls' State Session will be held on the University of California campus at Davis, June 20 to 28.

The honor and privilege is extended only to the most outstanding junior in high school, who has qualified in leadership, character, citizenship and scholastic standing, along with willingness and ability to cooperate with others. The high school faculty selects the student.

The two girls receiving this honor from this area are Joan Whitehead, student at Acalanes, and daughter of Mr. and Mrs. Don Whitehead, 1000 Pine Lane, Lafayette; and Barbara Jean Syverud, junior from Miramonte, and daughter of Pastor and Mrs. A. E. Syverud, 30 Broadway Terrace, Orinda.

The girls will "live" every phase of city, county and state government, filing papers, running for office, participating in elections and then fulfilling the duties that they assume upon being elected to an office.

Mrs. Emil Anderson, 3483 Monroe Avenue, Lafayette, is the Girls' State chairman from the American Legion Auxiliary of Post 517, Lafayette, the sponsoring group.

## Organization Elects

The Orinda Teachers Organization elected officers last week. Don Hardie, immediate past president has announced the new officers who will take office in September are Hal Ruby, vice president; Verne Robertson, president; Margaret Coffey, secretary and Maureen Reide, treasurer.

## This Week We've Had a Bit of Sun And a Bit of Rain

Tidal waves and such in other parts of the country resulted in a few rain squalls this week for the local area.

Recorded temperatures for the week were as follows:

	High	Low
May 19	82	41
May 20	74	48
May 21	64	38
May 22	62	36
May 23	55	47
May 24	62	47
May 25	71	50

Rainfall was measured at 1.24 inches May 23, and .89 inches May 24.

## Look Features Jr. Fire Marshals

Junior fire marshals in Orinda and throughout the country are receiving national recognition in the current issue of Look magazine.

A two-page picture story on the public service JFM campaign is featured in the May 10 issue, now on the news stands, according to Kenneth Courtwright, sponsor of the local JFM program in cooperation with school and fire department officials.

**THE STORY** relates how junior fire marshals learn the basic rules of fire safety to help combat life and property losses from fire. Entitled "Fun Spells Fire Prevention," the magazine article explains how elementary school children qualify as junior fire marshals by inspecting their homes for fire hazards and completing a home inspection report with the help of their parents.

The Look feature story is based upon the JFM program in Hartford, Conn., where the year-round public service program was established in 1947 by the Hartford Fire Insurance company, represented locally by Courtwright. Hartford was selected by the magazine as a typical example of a community in which the safety campaign is conducted.

**ALSO HIGHLIGHTED** in the Look article are demonstrations for junior fire marshals of fire-fighting methods which are also staged by the Orinda fire department.

"No one can estimate the number of homes saved from fiery tragedy by the junior fire marshal program," the Look article points out. "Nevertheless, a deep impression has been left on the 20 million children who have proudly worn the red helmet in 13 years."

## School District Gives Approval To Swim Classes

Trustees of the Orinda Union School District voted Tuesday night to cooperate with the American Red Cross in the presentation of swimming instruction at the Miramonte High School pool during the summer.

The swim classes will be conducted jointly by the Red Cross and the district's recreation department, under the single direction of Robert Sherman of the school district.

Signup for the program will be held at Pine Grove School from 1 to 4 p.m. June 4. Classes will be held Tuesday through Saturday for five 10-day sessions starting June 21.

All phases of swimming, including Red Cross life saving, adult swimming, "Teach Your Child to Swim" and diving instruction will be offered.

There will be no instruction charge, but a fee of 30 cents per lesson or \$3 for 10 lessons will be assessed each student to cover the cost of pool maintenance and operation.

Persons interested in participating on the swim team are asked to present themselves at the Miramonte pool at noon any day during the first week of instruction.

John Roberts served as captain of the Showboat and Don Warner was in charge of planning the event.

Advancements in rank were won by the following boys: Eric Eschen, Stephen Lund and Wesley Warner, lion; Steven Fuller, Kerry Germann, Bob Truax, Joe Lynch, Tim MacDonald and David Long, bear; Thad Clark, Wayne Killian, James McCabe, John Olander, John Walker and Rodger Warner, wolf.

New Cubs inducted into Pack 57 by Cubmaster Richard Bartle are Ronald Cavalli, Matthew Conover, Paul Lorenzo and Max Koeninger.

## Michael Laurenson Gets State Guard Commission

Michael R. Laurenson, son of Mrs. Elizabeth F. Laurenson, 1 Via Floreado, is one of the 17 Northern Californians who will be graduated from the California Army National Guard Officer Candidate School Sunday.

He will be commissioned a second lieutenant in the California National Guard in the commencement exercises to be held at the Presidio of San Francisco at 11:30 a.m. Sunday.

The 17 who will be honored during the services have been selected from the cream of young Guardsmen, and have undergone a year of special training and study in the state-operated school in preparation for their commissioned status.

A junior at the University of California, Laurenson has been a member of the National Guard since 1957. He is a member of Company E, First Battle Group, 184th Infantry of Walnut Creek. He was active in student affairs at Acalanes High School, and was that school's American Field Service exchange student to Germany in the summer of 1955.

Laurenson intends to study law upon his graduation from the University of California. He is employed by the City of Oakland as a recreation director.

## Longacre Offers His Muni Court Platform

Joseph R. Longacre, candidate for judge of the Walnut Creek Municipal Court, offered the following platform today.

He will oppose incumbent Betty Fitzgerald Rahn June 7 at the polls.

Here is his platform:

"If I, Joseph R. Longacre, am elected Judge of the Municipal Court of the Walnut Creek Judicial District, I pledge the following:

"1. A dignified administration of justice, without bias or prejudice, a consistency in my decisions that can be relied upon by petitioners before this court.

"2. Because I believe that 'Justice delayed is justice denied,' I will exert every effort to return the calendar of this court to the thirty day (or less) basis it once enjoyed.

"3. I will schedule at least one

night court a month, and more if necessary, to provide the opportunity for the working man to answer a traffic citation without loss of pay that might exceed the actual fine.

"4. BECAUSE I believe that a preventive or deterrent system of enforcing the law is more effective than repeated fines that often do not act as a deterrent, I shall employ a system of suspended jail sentences and/or license suspensions to prevent the recidivist from becoming an habitual offender.

"5. To prevent continued immorality from infiltrating our courts, I will ask for immediate perjury investigation by the District Attorney's office when the testimony of litigants or witnesses appears so diverse as to indicate false statements under oath."

## Go To Church Sunday

### Methodist

The Lafayette Community Methodist Church holds two morning worship services at 9:30 and 11 o'clock. Reverend Wayne H. Long will preach on the sermon topic "Take Time" Sunday. Nursery care is provided at both services.

Bethel 218 of Lafayette Job's Daughters will be the honored guests at the 11 o'clock service Sunday.

New members will be welcomed into the church Sunday morning and honored at a reception between the two services.

Sunday at 7 p.m. is the regular meeting of the Methodist Youth Fellowship to which all high school youth are invited. The program topic will be "Christian Recreation" led by Miss Bonner Blackwood.

Tuesday a Prayer Vigil will be held from 9 a.m. to 9 p.m. in the Sanctuary. All churches of the California-Nevada Conference of Methodist Churches are asked to keep a Prayer Vigil for peace. Anyone who wishes may join the volunteers who will be in the Sanctuary each half hour.

Thursday at 7:30 p.m. the choir will meet for rehearsal. Anyone interested is cordially invited.

Thursday at 10 a.m. Circle 2 will meet.

### Episcopal

Services on the Sunday after Ascension Day at St. Stephen's Episcopal Church, St. Stephen's Drive and Las Vegas Road, Orinda, will be Holy Communion at 7:30 a.m. and morning prayer and litany at 9 and 11 a.m.

The Reverend William Potnier, associate pastor, will conduct the services and will preach in the absence of the rector, the Reverend C. Corwin Calavan, who will be conducting a devotional retreat at St. Dorothy's Rest.

**CHURCH SCHOOL** will meet for kindergarten through eighth grade at 9 a.m. and for three-year-olds through fifth grade at 11 o'clock. Nursery care is available during both services at the David Wenrich home, 14 St. Stephen's Drive.

The junior choir will sing at the 9 o'clock service and the senior choir at 11, when the offertory anthem will be "See the Conqueror Mounts in Triumph," a traditional setting of the text of hymn 103. Both choirs are directed by Donald Loach, choir-master and organist.

At 7 p.m. the Young People's Fellowship will meet in Hill Memorial Hall, and will have as their guests eighth graders who will be eligible to join next fall.

**ON TUESDAY** church school teachers will meet for a training session with Father Calavan at 7:30 p.m.

The regular mid-week celebration of Holy Communion will be held on Wednesday at 10 a.m. followed by the sacrament of healing.

On Friday the Seabury (couples) Club will hold a dinner dance in Hill Memorial Hall, with reservations at \$6 per couple. A pre-dinner gathering will be held at the home of the William Sibbetts, 29 Van Tassel Lane, at 7:30 p.m., with dinner scheduled at 9 p.m.

The theme for the party will be "An Evening in Hawaii."

## Home Burglaries Hit Local Area; Probes Started

Scattered burglaries throughout the central county area highlighted a crime spree which kept deputies at the sheriff's central substation occupied during the last week.

Officers reported two of the burglaries occurred at homes throughout the area, but they also investigated one at a golf course and one in an automobile.

**THE ONLY CENTRAL** county arrest during the week was of the citizen variety. Charles Elliott, 2, of 235 Cleveland Road, Pleasant Hill, was jailed Tuesday night on a charge of battery issued by his wife, Bonnie, 21.

Mrs. Elliott told Deputies Cliff Clark and Robert Frank that her husband beat her after a quarrel at the dinner table, precipitated by the spilling of some milk by his two-year-old daughter.

The deputies said that Mrs. Elliott, an expectant mother, also told them Elliott had beaten the daughter with a clothes hanger about a week before, and the officers acknowledged the girl's body still bore the bruises.

Officers said the sheriff's juvenile division will be asked to investigate the alleged beating of the small child.

**THE GOLF COURSE** burglary occurred at the Tilden Park course Sunday night. Deputy Louis Skuce reported a park ranger, Arnold Sommers, found the building had been broken into and \$153.50 worth of new golf clubs were taken.

According to Skuce, Sommers reported that a short time before the burglary was discovered he noticed a tall youth in the golf course area.

Sommers reported the youth complained of his sports car having stalled and that he had cut his finger on the hood of the vehicle. Sommers noticed some new golf clubs—still wrapped in cellophane—in the auto, but the youth allegedly said he had recently purchased them.

Officers said attempts are being made to locate the youth in order to question him concerning the crime.

**RESIDENT** burglaries occurred at the homes of Lowell Burr, 336 Mayral Road, Pleasant Hill, Monday night and Margaret Hinds, 90 Loma Vista, Orinda, Tuesday.

Deputies reported the Burr burglary occurred between the hours of 7:30 and 9 p.m., when the family had left the home for a short time. Entry was made through a rear bedroom window, all of the rooms were ransacked and about \$18.50 in cash was stolen.

The only thing taken during the Hinds burglary was a high-fidelity amplifier of unknown value, officers said. They added that entry was made by breaking a window in a basement rumpus room.

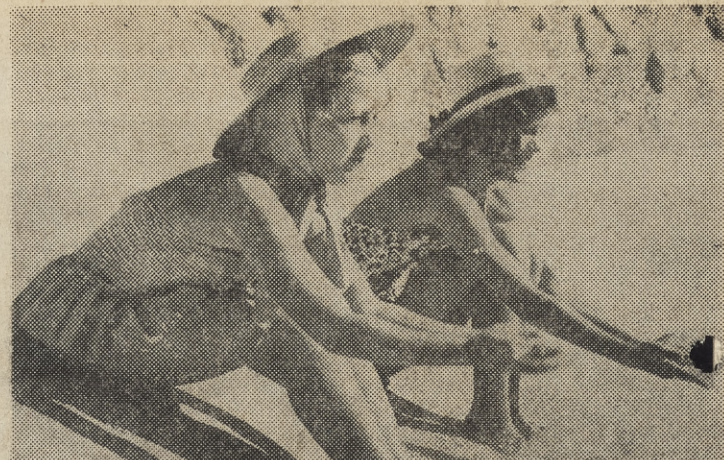

## Barbara Stern Wins College Class Honor

Barbara Stern of Orinda was one of 261 students at Oberlin College, Oberlin, Ohio, who were recognized last week for outstanding academic achievement.

Miss Stern, the daughter of Mr. and Mrs. Curt Stern, 84 La Espiral, received freshman honors in the College of Arts and Sciences during the annual Honors Day assembly.

Students who rank scholastically in the top 10 per cent of their classes are awarded class honors. For upper classes, honors are based on two semesters' work, for freshmen, on one semester's work.

Shop at home and save!

**IT MAY** have been cold last weekend, but these two young ladies still took hold of the opportunity to enjoy the comforts of the Orinda Park Pool, which recently opened for another season of enjoyment for its members and their guests. The Orinda Park Pool and other community pools in Orinda are expected to draw large numbers of people during Memorial Day weekend as the summer "play in the sun" season officially opens. Here, Nancy Calavan (left) and Lorrie Wilford get their feet wet and their backs sunned at the same time. — Sun photo by Mattson.

## Jaycees Sponsor Teenage 'Rodeo'

Miramonte High School was the scene of the teenage "rodeo," sponsored by the Orinda Junior Chamber of Commerce.

Frank Peake of Orinda was in charge of the driving contest, which took place last Saturday.

Ten students entered the contest. The winners were Al Geister, 14 La Campana, first place; Tom Miles, 11 La Plaza, second place; and Brian Collins, 128 Sleepy Hollow Lane, third place. All contestants were from Orinda and attend Miramonte High School.

The Jaycees would like to thank Dahl Chevrolet, Jurs Motors, Lawrence Chrysler, Plymouth and Monument Motors for permitting them to use their automobiles during the contest.

This teenage rodeo is a nationally sponsored Jaycee activity conducted annually by local chapters. They hope to have an inter-school contest next year between Acalanes and Miramonte with a perpetual trophy given to the winning school.

## Local Youth Will Receive Diploma

An Orinda youth is among the approximately 200 cadets who are scheduled to be graduated from the New Mexico Military Institute in Roswell, N.M., during ceremonies on the campus Sunday.

He is Volney E. Howard III, son of Mr. and Mrs. Volney E. Howard, Jr., of 51 La Cuesta, who has been a student at the institute since the fall of 1958, when he transferred from Miramonte High School.

Howard, who completed final examinations at the school this week, holds the rank of staff sergeant in the Corps of Cadets.

## Blount Joins 'Big Top' Operation

Navy Ensign Charles W. Blount son of Mr. and Mrs. Jonathan P. Blount of 56 La Cresta Road, Orinda, serving aboard the destroyer USS Cogswell, took part in an amphibious exercise on the beaches of Camp Pendleton, California recently.

The exercise nicknamed "Operation Big Top" involved over 15,000 Marine and Navy personnel, and was designed to test new equipment and tactics, as well as to train personnel in the many facets of amphibious warfare.

Highlight of the operation was a night amphibious assault by the 20 Navy ships and 60 Marine helicopters of "Big Top's" task force.

## School District Receives \$10,814

Congressman John F. Baldwin announced today that he has been informed by the Commissioner of Education of the United States that favorable action has been taken on the application of the Orinda Union School District for federal assistance for current expenditures pursuant to Public Law 874, which provides for financial assistance for schools in federally affected areas.

The Commissioner of Education has determined that the tentative entitlement for the Orinda Union School District for fiscal year 1960 will be \$10,814. Of this sum \$8110 is being certified for immediate payment.

### LEGAL NOTICE

**NOTICE TO BIDDERS**  
Notice is hereby given that sealed bids for furniture and equipment will be opened in the Office of the District Superintendent of the Orinda Union School District at 2:00 P.M. Wednesday, June 15, 1960. The District Superintendent's office is located in the Pine Grove School on Altamira Drive, Orinda. Specifications are on file in the office of the District Superintendent.

Bids shall be made on forms prepared by the Orinda Union School District. The board of trustees reserves the right to reject any or all bids and to waive any informality in the bidding.

By ORDER OF THE BOARD OF TRUSTEES, dated April 4, 1960.

8 p.m.: Concert—Leona and Marcus Gordon.
- MONDAY—**  
10 a.m.: Exhibits—demonstrations.  
12 noon: Pageant Cafe opens.  
1:30 p.m.: Dance—Magna Baptiste, troupe fifteen Indian, Thai and Indonesian dancers.  
3 p.m.: Dance—From the dance workshop, Director Marge Stevens. Ages six to teenage.  
4 p.m.: Awards! Popular Show.  
4:30 p.m.: Meet the Author Reception.  
8:00 p.m.: Drama—An Evening of One Acts.

## Tumbling, Dancing, Ballet, Hula

The Walnut Creek Park and Recreation Department will stage the annual spring production, tomorrow at 1:30 p.m. at the city park in conjunction with the Diablo Pageant of Arts. It will begin with a demonstration of the boy's tumbling class under Joe McElroy and Pat Dickinson. The girl's recreation Hawaiian dance class will interpret Hula dances under the direction of Marge Bronson and Janice Ronneberg. The Cinderella Ballet produced by Lillie Chase assisted by Reva Tow and Judy Goins will be presented after the Hula dancers. Louise Gillette and Pat Dickinson are in charge of costumes and set design. Mrs. Elaine Clark is coordinator for the Recreation Staff and will be assisted by the many parent volunteers.

## Jr. Women Will Be Art Hostesses

Hostesses will be on the job at the Pageant of Art. The Junior Women's Club of Walnut Creek has volunteered for Saturday and Sunday at the Armory. These ladies will have information, programs and a welcome for all those attending. They are Mesdames William Gilman, Lloyd West, Glen Short, Robert Shanck, Leslie Johnson, Coleman Johnson, William Clary, Gus Tiechiera, George Meikle, Charles Claussen, Robert Wise and Bill DuBois.

## Shhh! Artists At Work! But, Look!

In the "Artist at Work" section of the Diablo Pageant of Arts, professional artists will demonstrate construction of their wares, and finished work will be exhibited in the out-of-door display booths.

The visitor may watch the development of an art work from idea to finished perfection. Among the pieces offered for sale, they may select beautiful original art work for home decor or gifts.

Among well-known professional artists are Betty and Roy Beede of Concord, who will do quick oil portraits and silhouettes.

Betty Perona of Walnut Creek will demonstrate lapidary work and display polished stones for sale. She will also be in charge of the children's lapidary class which will demonstrate during the pageant.

Robert Meinardt of Walnut Creek, ceramist, will display his unique pottery. Famous master engraver, Orville J. Kuhl, will demonstrate his unusual method of engraving on aluminum alloy.

The adult education classes of the Recreation Center in Walnut Creek in painting, ceramics, and rug weaving will be in session today in the Quonset Hut.

## Music for Musicians Is Sunday Event

A Chamber Music Festival presenting "musicians' music" in its most delightful variety will be offered Sunday, the third day of the Diablo Pageant of Arts.

From 3:30 to 5:30, an impressive number of the most noted musicians of the area will present several hours of classical string music in quartets and other ensemble groupings.

Dick Lotter of Lafayette, general chairman, said five groups will be featured.

First to play will be County String Quartet with Gary Fryer, clarinet, with Nico Snel and Joan Disch, violins, Paul Fryer, viola, and Oscar Busch, cello. They will play the Mozart Quintet for clarinet and strings.

Second on the program is The Diablo Chamber Ensemble. This group is composed of Mrs. Daniel Greenberg, piano, Mr. Stewart Bloom, violin, Mrs. Fred Katzburg, viola, and Mrs. Earl McLain, cello.

Third will be a cello quartet, composed of Susan Minor, Walter Buenger, Mary McLain, and Oscar Busch. They will play the Suite Galante by Beethoven.

Miramonte Mirror...

Election Fills Next Year's Student Body Offices

Fourteen Miramonte students kept the school buzzing from May 11 to 19 with campaign posters, buttons, stunts and speeches to advertise the election of next year's student body officers. The excitement came to a head Thursday afternoon when the final ballot was tallied.

Dick Stark, who won the election for president of the student body, heads the list of the newly elected students. The others include Randy Thaman, vice president; Sue Dunshie, secretary; Joyce Bailey, treasurer; Hester Harris, social secretary and Rick Bagley, head yell leader.

These students form the foundation of next year's student council, and will carry out the program of Miramonte's student government. The remainder of the council is made up of elected representatives from each class, the four class presidents, the yearbook editor and editor of the newspaper.

Special invitations to next year's "Bamboo Assemblies" have been sent to Miramonte and Anna Head freshmen, sophomores and juniors by the Bamboo Branch of Children's Hospital. These dances will be held at the 20th Century Club in Berkeley, where a buffet dinner will be served and Dick Dildine's band will provide music.

In order to be able to attend the series of three assemblies the students will be charged \$10, plus \$3.50 each time they bring a guest. The profits from the dances will be given to Children's Hospital. Dick Stark from Miramonte and Dana Henry, the student body president of Anna Head will represent their schools on the committee to advise the Bamboo Branch on the dances.

The Biology classes of Miramonte left school Friday for a field trip to Mt. Diablo. The classes, headed by biology teacher, C. Davis, filled two buses to go in search of different types of chaparral and (among other things) poison oak.

Sue Tharp, Dwight Thompson, Kathy Stafford, Frank Hibbard, Gregg DeWitt, Denise Pothier and Brad Harlan were a few of the biologists on the trip. Mr. Davis lived up the morning for the students with a few bird call demonstrations.

Sherry Odenthal was "shanghaied" out of bed on her birthday Saturday morning by Bonnie Kent, Jean Gleason, Tara Doty, Karen Rigor, Denise Pothier, Marc Jacobs, Carolyn Coburn and Carol Gilmore. The whole gang went out to Tomales Bay after a tour of the San Rafael Military Academy. They spent the day on the beach eating, swimming and playing baseball.

On the same day, part of the senior class took off for the beach. George Kimball piled his truck with kids and along with several other cars went south to San Gregorio Beach. Some of the seniors who went were Carolyn Cullen, Bill Brown, Sally Spott, Bill McGuire, Katy McQuaid, Milt Howe, Sue Henry and Squire Fridell.

Acalanes Board Votes Against Sewer Use Charge

Acalanes High School District trustees, in their Monday night meeting, took the following action in addition to hearing Miramonte parents.

The trustees: Accepted the Miramonte pool as completed and the district architect's recommendation that the contractor be penalized for 15 days excess construction time for an amount totaling \$750.

Heard a report on a current evaluation of the Acalanes High School program by Principal Stanley Walgren. The evaluation report, a compilation of a study by Acalanes High students, faculty, administration and non-certificated staff, analyzed by a panel of outside experts in education, commends the educational program at Acalanes and recommends expansion of some school facilities including the gym and counseling department quarters. The report also suggests expansion of the Acalanes industrial arts program, and the addition of research and reading materials to the Acalanes library. Walgren stated that the counseling department's physical facility was already scheduled for expansion this summer, that \$10,000 had been appropriated by the district for additional library acquisitions, and that the problem of expanded industrial arts courses has been under consideration. He emphasized the section of the evaluation which called for construction of physical education facilities at Acalanes, particularly a more adequate gymnasium.

HEARD A LETTER from Victor Sauer, County Highway Department, which suggested installation of a traffic island on Pleasant Hill Road to ease the student egress and access problem onto the Acalanes High campus; and the possibility of the district employing someone to direct traffic at the peak school hours in the morning and afternoon. The letter came in response to a board inquiry into the possibility of placing a traffic signal on Pleasant Hill Road at Acalanes. The board moved to study the employment of someone to act as a traffic officer.

Voted to continue paying a \$110 per classroom charge to the sanitary district for sewer installations at district schools as opposed to an alternative of paying a monthly service charge. Superintendent Neil Parson reported that the \$110 would represent the approximate cost of a sewer-use charge over an eight year period, whereas the charge itself would

Some Courses Still Open in Summer School

An early heavy summer school enrollment may tend to restrict the number and kinds of classes still open to students by the next and third application deadline for summer school admission June 4, according to Gordon Gibson, summer session principal.

Gibson reports that the Acalanes District summer program will be limited to approximately 1100 students plus. 1050 are already signed up.

Courses still open include Public Speaking, English I through III, French I, Spanish I, Chemistry, U. S. History, home economics, typing, drama, music, wood and auto shop.

The summer session will run from June 20 to July 29.

Sanitary Board President Urges Tighter Control

The garbage ordinance of the Central Contra Costa Sanitary District made a reappearance on the board of directors' agenda at last Thursday night's meeting.

Possible amendment of the ordinance to provide tighter control of sites and corporation yards was raised for discussion by board president Richard Mitchell. He asked consideration of requirements for such sites and said he believed disposal companies should contain garbage trucks and equipment completely within closed buildings.

He also thought the companies should be encouraged to locate such storage yards at dumps or in heavy agricultural or industrial areas.

PROTECTION of the public was the justification Mitchell gave for his recommendations. Director Irving Roemer contended the matter was a zoning problem and should be decided by the County Planning Commission.

Mitchell said while location is a zoning matter, flies and other nuisances that might relate to garbage trucks is under the sanitary district's control.

Roemer retorted a public nuisance can be abated by the health department without involving the district. He said people annoyed by garbage equipment storage sites should exhaust all legal possibilities before bringing the problem to the sanitary district.

MITCHELL insisted the board consider an ordinance to restrict conditions of corporation yards. He said he did not believe the health department is doing an adequate job in abating public nuisances.

"We have an ordinance for the control of garbage companies. I

see something we should control," Mitchell asserted.

He said trash is blowing off garbage trucks now and the district is not enforcing its controls. People would soon be coming, he said, with complaints about the corporation yards.

"Let them come," Roemer replied.

Gerry Horstkotte, district manager-engineer, resolved the two-man conflict with a recommendation the district consider the entire matter of the yards—storage, washing of equipment, sites, amount and type of processing that could be done in the yards—and frame a plan for dealing with it.

DISCUSSION of Ordinance 37, the sewer use charge, was continued. Directors agreed to amend it to read the minimum charge will be applied to buildings under single ownership, on a fixture basis. John Bohn, district counsel, was instructed to write the amendment.

Horstkotte made a report of the district's survey on hospitals' sewer use. Kaiser Hospital uses 266 gallons of sewage per bed per day, he said, about the same as a home with 3½ persons. The per capita use is about 75 gallons per day.

Horstkotte said the East Bay Municipal Utility District sets its charge at 36 cents per bed per month in Oakland hospitals; Martinez bases its hospital charges on the size of sewer meters used; and Concord charges a percentage of water usage.

He recommended the board

charge hospitals \$1 per bed per month. After discussion the board voted to charge 75 cents per hospital bed per month plus an initial connection fee of \$7.50 per bed.

DIRECTOR Frank Salfingere put himself on record as objecting to using use charge funds for running expenses. He thought the funds should be used for construction purposes.

The board finally agreed use charge funds could go into either account, so long as the district completes the construction program it has promised the public.

The board read a letter from the Orinda Country Club protesting the use charge. Under an April 6, 1948, contract with the district, the club was exempt from paying connection charges and assessments, and it claims the same exemption from the use charge.

It was noted the club recently refused to pay connection charges made on additions to the facilities, although the contract reportedly covers only the original buildings.

THE BOARD believed the contract was not binding upon them, and Bohn's interpretation was the club should pay the use charge.

President Mitchell directed the district to pursue collection.

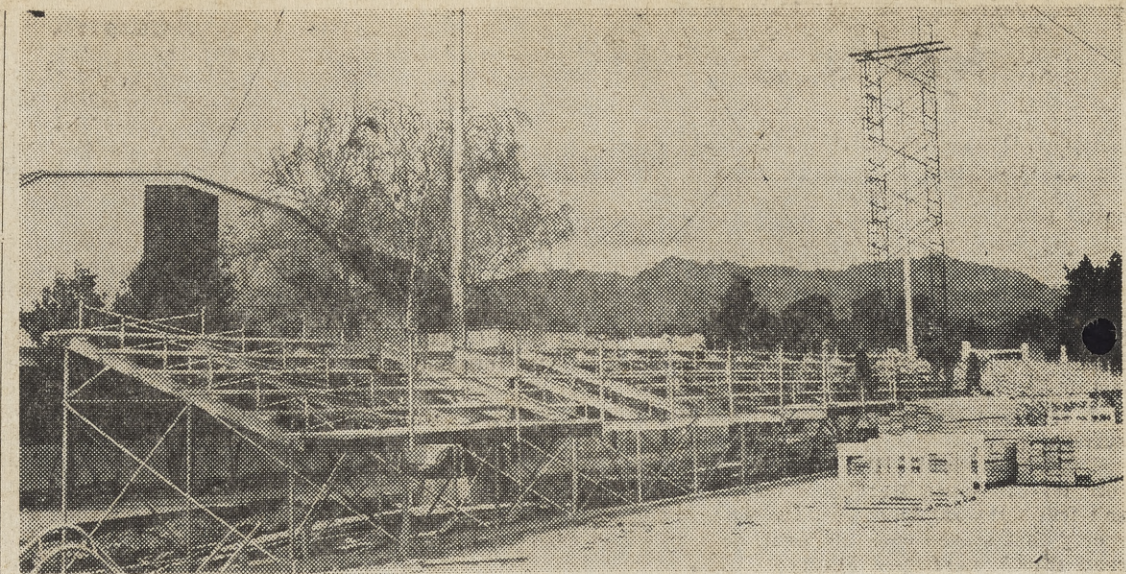

Bohn reported an injunction will be placed against the district pending a taxpayer's suit which was filed this week in Superior Court by Hobbs Shore of Lafayette. The injunction will prevent further work on the outfall sewer line between Arnold Highway and Suisun Bay, unless the district can show cause by June 20 as to why they should proceed.

The suit results from the board's letting a contract to the Oakland firm of MacGuire and Hester to complete the job on a cost-plus basis without advertising for bids.

DIRECTORS had been advised by Bohn they could complete the work without such advertising since the job had been bid once, and advertising for bids would be time-consuming on a job that had already taken overlong.

The M. Miller Company of Los Angeles was the original contractor for the outfall sewer line. The Sanitary district terminated the contract in March after months of controversy with the Miller Company. Miller filed suit against the district for \$600,000 in excess expenses, claiming district engineering plans were defective.

In Horstkotte's report to the board, he said the district will call for bids June 2 on the main line center strip work to be done along Mt. Diablo Boulevard in Lafayette.

NEW BLEACHERS at the Acalanes High School field are now available for use, after acceptance of the project by the high school district board. The new seats, which considerably increase the seating capacity of the field, replace the old bleachers which were installed when the school was first built about 20 years ago. —Dave Ogden photo.

Art Pageant Has Begun! It's Too Good to Miss!

Proof that Diablo Valley people are as interested and accomplished in the arts as in raising children will be evident this weekend, during the fifth annual Diablo Pageant of Arts.

Today is the first of four days of entertainment, exhibits, "Artists Fair", "Pageant Cafe", "Opera, Opera!", concerts, dances, drama and—well, look at the program also printed in The Sun!

The entire production which was previewed last night, will be held in the Walnut Creek city park and recreation center and the nearby National Guard armory.

IT IS THE result of months of planning and several years of experience gained by a loyal band of enlightened residents who have

SEE PAGE 3 FOR DETAILS

dreamed of a production such as is in the offing.

Forrest Engelhart is society president; Connie Sterne is program and production director; Vee Strickland is office manager and publicity director.

Said Engelhart, "We hope the Pageant of Arts will do for Walnut Creek's cultural center what the Walnut Festival does for the recreational center!"

A quick inspection of the overall program indicates that spectators will see not only the fine works and abilities of area residents, but also the performances of groups renowned in the Bay Area, and in the United States. BEING NEAR San Francisco,

KofC Sponsors 'Stars on Ice' Benefit June 12

Stars on Ice, an all-star ice revue with veteran big names from Ice Follies, Ice Capades, Sonja Henie Ice Revue and Olympic stars, will take place Sunday, June 12, 8 p.m., at Berkeley Ice-land. The Ice Extravaganza, sponsored by Lafayette council of the Knights of Columbus, is for the benefit of the Contra Costa Catholic social service.

Grand Knight Ross McKenna announced that William Reddy of Lafayette has been appointed general chairman of the affair. Assistant chairman are Matt Simmons of Pleasant Hill and Jack Peterson of Lafayette.

Subcommittees are headed by: Color guard, Ross McKenna; ushers, Joe Mikos; programs, Joe Ruggles; tickets, Jerry Meder; refreshments, Bob Ramia; audit, Jack Ahern; public relations, Phil Gilbert; liaison, Bill Hipkins; legal advisor, Ben Hartinger.

Father John McCracken, director of the Contra Costa Catholic social welfare service, stated that tickets, at \$1 each, were available from the Catholic social welfare office at 3213 North Main Street, Pleasant Hill; at Berkeley Ice-land in Berkeley; at the Hendrick Piano Company in Walnut Creek; and from any Knight of Columbus.

Brother Carl New Student Activities Chief

Appointment of Brother S. Carl, F.S.C. to the newly-created post of director of student activities at St. Mary's College was announced today by Brother S. Albert, F.S.C., president of the college.

Brother Carl has been moderator of the executive council of the Associated Students of St. Mary's College, and instructor in religion and world classics for the past three years.

WITH THE INCREASE in enrollment at the college and the subsequent increase in student activity, the coordinating of all student activities necessitated the creation of the new administrative office, Brother Albert said.

At the same time, the college president also announced the reorganization of the student activity committee.

This committee will be composed of the director of student activities, the moderators of the classes, the alumni executive director and a member chosen from the faculty.

THE COMMITTEE will assist the director of student activities in considering questions of general policy and discipline concerning the activities.

A 1952 graduate of St. Mary's, Brother Carl taught in secondary schools for four years, and has done graduate study at Stanford University. He will continue in his post as moderator of the executive council.

Canyon School to Have Open House

Canyon School will hold its 10th annual pet and flower show Wednesday, beginning at 1 p.m., and the public has been invited to attend.

Grant Engle, eighth grader who is chairman of the event, said the entire school will take part, and for the first year the flower show will display arrangements.

Students at the school are handling all plans for the show and open house, and the entries will be judged.

Jim Hatch's upper grades are in charge of pet show and Mrs. Ruby Ruth Beers' lower grades are handling the flower show.

Cubs of Pack 207 Hold Races

Cub Scouts of Pack 207 held their regular meeting recently at Glorietta School.

The boys held relay races, but not the usual variety. Their races consisted in donning and doffing an assortment of clothing—the whole procedure hampered by the wearing of oversized gloves.

Dens 4 and 5 displayed the greatest agility, according to reports. Observers also said parents enjoyed the antics so much some were seen wiping away tears.

The following cubs received awards: Den 1: Robert Denning—silver arrow and denner's stripe; Al Stein—assistant denner's stripe; Anthony Thurston—bear and year pin; Randy Andrad—year pin; Den 4: Steve Bowles—denner's stripe; Terry Macdonald—bear, gold and silver arrow; Den 5: Bruce Campbell—wolf; Den 8: Dirk Miller—wolf; Den 9: Rodney Price—year pin and

Baldwin Rally Is Tomorrow At Dollar Ranch

More than 1000 Contra Costa and Solano county supporters of Congressman John F. Baldwin are expected to attend a bi-partisan rally in his behalf tomorrow at 4 p.m. at the R. Stanley Dollar Ranch, near Walnut Creek.

Final plans for the event were made by a committee headed by Laurence Corbett, Walnut Creek attorney, and Colonel Hamilton Bond, U.S.A. (ret.) of Lafayette.

Baldwin will fly to the Bay Area from Washington, D.C., late Friday to attend the rally. He will return immediately to the nation's capital in time to preserve his record of never having failed to answer a House of Representatives roll call.

The Baldwin rally will probably be the last time the general public will visit the garden-covered grounds of the historic Dollar ranch in Tice Valley.

The property belongs to the estate of the late Bay Area shipping magnate, R. Stanley Dollar.

Bond said invitational tickets for the Baldwin rally have been distributed throughout the two-county area, and can be obtained from any of the following local chairmen:

West Contra Costa, Miss Mary Lowden of Richmond; North County, Mrs. Eunice Kollar of Crockett; Central County, Elmer Whalen of Concord or Mrs. Dorothy Ballachee, Lafayette; South County, Mrs. Hugh Miller, Danville; East County, Mrs. Harry Stitt, Antioch.

## Suburbia Scribblings

I Don't Know About You, BUT —

EVERYTIME I take a long hard look at Orinda, I hope it doesn't end up in the future looking flotsam-jetsam, like all of us were lacking in a little foresight . . . I can't help seeing a real Battlefield when I look at the Pine Grove. Which is what it still is. For the info of newcomers, once precedent is established, as in the case of gas stations & super stores, there is no limit to the influx of them. . . So in the case of an Insurance Office at the PG, think about it. We COULD end up w/a whole city of them, like in the East or Menlo Park! Is that GOOD?

I see that Orinda's planter boxes are ppoping forth with petunias!

PENNIES FROM HEAVEN . . . When I think that the gross profit for the Super Markets is only one cent on the dollar, I still can't feel sorry for them . . . I'll bet if somebody opened a corner grocery that stayed open all night, he'd do a box-office business in bread, milk, cigarettes & Sherry.

WE'RE losing our Long Hairs . . . Ann Cunningham has cut her long locks . . . A bit back, Brenda Juiffre did too & now Yolande Elred has the New Look, too. Who's next . . . Who? ME?

There being still not enough Knopfs (pronounced Canuffs), they expect their 6th down in Santa's Pack at Xmas . . . Joan & Gene Garbarino's little genius is due next month, probably w/a full set of gorgeous white teeth . . . last but not least by a long shot, the Frank Schnuggs are looking forward to their ELEVENTH!

PAT DARROW (she & architect husband Lee expect their blueprint model #2 in the Fall) took a tumble down the steps on her B'day recently when readying to attend the Architect's convention in SF where Lee was to receive an award. Pat, broken leg in a cast, is holding court during an enforced rest.

COUNTRY CASUALTIES . . . For an non accident-prone family, the Charles Lohses are loaded w/little irksome accidents . . . Betsy smashed her finger, their daughter took a spill, & Charlie dropped an 85 lb. spray can on his foot, reason you saw him limping along at the Orinda Parents club dance.

We saw the Colin Campbells in the Library Tues. nite . . . Betty, too, w/her foot in a cast . . . same accident happened a year ago on her birthday, almost to the DATE! Lois Flenner, who broke her back while making BUNK BEDS, is recuperating at home now but the CAST is driving her CRAZY! How about a long-handle Chinese back-scratcher, Lois? & here's a Hug & Hello to Gloria Westerfield who, we hear, via Marian Long, is making wonderful improvement.

This Side of Paradise . . .

RETURN TO PARADISE . . . the Al deGrassis so sumptuously set the stage for their recent South Seas soiree that they couldn't bear to take the trimmings down . . . A week later their son Andy, a Miramonte Junior, hosted a similar Luau for his contemporaries.

For Helen & Al's party on Sat. May 14, the whole family worked for weeks & right up till the last minute to transform their Brookbank Rd. res into a Palm-tree Paradise.

Palm fronds hung over the roof & pillars to form trees bearing brilliant clusters of brown & orange dates . . . Helen arranging flowers & fishnet at the long luau tables until the last minute, then joining her husband to greet guests Hawaiian-style . . . w/armfuls of jasmine blossoms leis & welcome busses. (Kisses, Kiddo, KISSES!)

TRADER VIC'S secret recipe for Maitais motivating the Malahinis . . . a huge glass bubble serving as an ice-bowl . . . The nearly balmy eve bolstered by four outdoor braziers aglow . . . The Gordon Furths telling of their recent peregrinations in Peru . . . Moore & Betty Pilgrim, who at one time lived on Guam, brought beautiful white clematis which festooned the miniature mountains of black lava rock in the living room.

The glass-enclosed living room as well as the lanai, a lush vernal forest of ferns, yellow Freemontia & pink Rhododendron blooms . . . A matting of Ti Leaves flown in from the isles carpeting the low luau tables . . . A giant clam shell, also borrowed from the Pilgrims, spilling forth melons of all kinds & fresh pineapple . . . Siamese pink candles a dramatic note.

Dottie & Robert Spott, the Bob Hendrickses, both ladies in flower-print muu muus . . . Bill & Jane Calhoun, he w/a big posey backed over his ear . . . Paul & Dorothy McChesney, her red & white muu muu one of the prettiest . . . the St DunsMores, Pat & Bob Davis, Jim & Lois McManus over from Marin, Hugh & Bee Morris up from the Peninsula . . . The guests all agreeing the party fabulous & if ever they were tempted to chuck everything & Go Native, this did it!

MORE PARTY PEOPLE . . . The Giorietta Improvement Association mixed business w/pleasure & held their recent annual Inaugural Dinner Dance at the Happy Valley Inn last Sat. eve. . . Outgoing pres. Neil Porter & his wife Naomi hostessing a pre-parandial gathering at their Virginia Dr. digs . . . Here, Chuck & Janice Legg, Mike & Joan Dakis, Leslie & Joan Dumble and Bob & Shirley Maynard. More for early cocktails were Lieut. Art & Louise Jacobsen, Bob & Ann Grant & Phil & Barbara Mittell . . . Dakis & Dumble are among the new directors, as are Raymond Horne, Thomas Porter & Clarence Rogers who w/their spouses, spent the evening improving the status of their Improvement Association to the tunes of Maurice Anger.

Let's Play Leap, Frog!

JUMPING JUPITER! But that's the name of the frog Linda Wayne caught & entered in the annual Calaveras County Frog-Jumping Contest at Angel's Camp last weekend . . . Both she & Mary Schnugg had an entry in the preliminaries & Linda's jumper did pretty well at 13' 2" & was entered in honor of Miss Land's 4th-grade class at Sleepy Hollow.

ALMOST Everybody has a secreta yen to attend the Twain-inspired tradition at Angel's Camp. Bert & Barbara Wayne went up for the wkrd. w/peninsula people who travel by trailer & call themselves the "Jewel Gypsies." The finalist, in case you didn't read it elsewhere, was a jumbo jumper name of Frogster Miraculous Mudball who did 17' . . . & that's SOME Leap, Frog!

Friday night, Millie Winfree & I, avec children, attended the Young People's Symphony & the Raoul Pause ballet in Berkeley . . . A wonderfully enjoyable evening . . . COMPOSED of musicians all under 20 years of age, the YPSO is one of the few such young people's musical groups in the nation to play standard symphony scores . . . A remarkable & regal woman Jessica Marcelli who has conducted every concert given by the orchestra since its founding . . . Claudia Craig, Meredith Brown among the violinists . . . Jan Twining of Orinda on cello & Allen Breed in the clarinet section.

THE CONCERTO for Piano & Orchestra No. 20 by Mozart featured Ronald Gipson, guest soloist, who got out of bed w/the flue to play profounding perfect at the Steinway & we were amazed to hear that his age is just 14!

INTERMISSION TIME . . . we saw young Jonathan Donchin in the foyer, his sister Gwyn to dance as the young daughter of the Russian Family in the beautiful ballet that followed. Laurie Kersten & Claire Peterson were there w/their dgthrs, Laurel & Leslie as well as Carol Wagner. Dr. & Mrs. William Leftwich returning to their seats . . . Blanche Brody w/Jerry & Gwin Donchin.

The Ballet In One Act—"La Boutique Fantasque" (The Fabulous Toy Shop) was so colorful & professionally performed, the staging & lighting so finished & the story of the Can-Can dolls who are parted, so charmingly unfolded, that we felt here indeed, was a tailor-made show for the holiday season & one that should be a tradition at the Berkeley Community Theater. What a waste for one night when word-of-mouth alone would increase the audience ten-fold!

HERE'S LOOKING 'em over! Sat. morning we bounced (?) out of bed, filled a thermos w/coffee & headed for Giorietta & the first Little League game . . . We took a car blanket & curled up on the hill to join the ranks of rooting parents, most of whom were such good sports, they cheered just as HARD for the other team! Emma Usinger w/her towhead in tow, waving to her son David. Coach Ned Smith surrounded by his boys . . . C'mon, Rockets. C'mon Rangers, we hollered . . . as thrilled for the other team as our own . . . Marian Kruse arriving w/her thermos & a tryke along for her little tyke! The Bob Williamses, Bill Leonard, Cec Cantrill, Jan & Zeanette Roberts all sitting on the sidelines in the sun. Duane Spitzer leaving for still another Little League game at another school . . . Bill Henning & Nancy Ault putting in some spade work as parents working on the Del Rey Beautification program. (When Nancy arrived at the school & saw ALL the cars & people, she thought they were THERE to give a hand w/the hoe . . . Ho, Ho!)

Nancy, by the way reminding us, that members of her Bamboo Branch, CHEB, have mailed out invitations for next season's Bamboo Assemblies, the dance series for soph, jr. & sr. students at Miramonte High as well as Anna Head's young ladies. The parties will be held at the 20th Century Club, Berk. & Jean Huntington is chrmn. if you wish to call her for further info at CL. 4-2261. RX for a rainy day . . . The Alameda Co. Medical Wives Auxiliary had a little medicine of their own to take the chill off a gloomy

## Orindan Becomes Telephone Co. Traffic Manager

Gil L. Sheffield, 30, Orinda, an executive with Pacific Telephone, has been promoted to a new post in Fresno, it was announced today.

Sheffield, formerly assigned to the northern California traffic department of PT&T in San Francisco, was named southern division traffic manager, with headquarters at Fresno.

Sheffield, who has been with the company almost seven years, has resided at 5 Eastwood Drive for the past two years with his wife, Barbara; daughter Gail, 5; and sons Mark, 3, and Todd, 1.

The new headquarters encompasses all of northern California to Bakersfield with the exception of the San Francisco Bay Area.

## Moraga Voters Pass Tax Increase

The Moraga School District tax issue managed a narrow victory at the polls Tuesday, as less than half of the district's approximately 500 eligible voters cast ballots.

As a result of the victory, the district will have a maximum operating tax rate of \$2.75. Previously, the maximum rate was \$1.75.

The total vote count was 106—yes and 95—no.

DURING 1959 EBMUD installed 17 new water meters a day for new homes, businesses and industries in the East Bay.

## Robert Smiths Win New York Weekend

Mr. and Mrs. Robert Smith of 19 Parkway Court, recently won Breuner's Furniture Store contest.

Their prize included an American Airlines 707 Jet Flagship flight to New York and an all expense weekend in the eastern metropolis.

# Go to Church Sunday

## Lutheran

"Prayer—a Power or Habit?" will be the sermon theme at Our Savior's Lutheran Church, 1035 Carol Lane, Sunday. The services will be conducted at 8:15 and 11 a.m. by the pastor, Reverend Merle O. Tollefson. Nursery care is available during the second service.

The Sunday school offers a choice of two sections. The first section at 9:30 a.m. has classes for all ages from three years up. At 11 a.m. classes are offered for those three years old through the sixth grade.

**THE ADULT** Inquiry Class will meet Sunday at 8 p.m.

The vacation Bible school staff will meet for a clinic Tuesday at 8 p.m.

The mid-week Bible study meets Wednesday at 8 p.m.

**THE WOMEN'S** study group meets Thursday at 10:30 a.m. Thursday evening the senior choir will meet at 8 p.m. Another adult inquiry class is being organized Thursday at 8 p.m. Anyone interested in examining the Christian faith as confessed in our church is cordially invited to attend.

The Sunday school teaching staff will hold a poolside party next Friday evening at the Rodman home, 3174 Sunridge Road, Lafayette.

The junior and senior confirmation classes will meet Saturday morning at 10 o'clock.

## Lutheran

Sunday, Pastor Albert Hidy will preach on "Visions and Tasks" at the 8 and 11 a.m. services. The junior choir will sing at the 8 o'clock worship in its last appearance until fall.

Sunday school, under the leadership of Charles Ivy, will be held at 9:30 a.m.

Construction on the new church building is progressing very well with most of the foundation work finished and the heating equipment partially installed.

The builder is on schedule and within the next few weeks the large "A" frame beams and roofing will make their appearance above ground.

## Episcopal

Services of Holy Communion and Morning Prayer will be held by St. Anselm's Episcopal Church on the Sunday after Ascension.

The 7:30 a.m. Holy Communion will be held at Canterbury Chapel, 682 Michael Lane, and the 8:30 Holy Communion and 10:30 Morning Prayer Service at the Chapel in the Valley, 985 Thompson Road, Lafayette.

The Morning Prayer address will be given by Walter White, lay reader. This will be White's final Sunday with the St. Anselm's Mission, as he has been transferred to Los Angeles in his business associations.

**CHURCH SCHOOL** will meet at 10:30 a.m. at the regular meeting places.

Midweek Holy Communion will be held Wednesday at 10 a.m. at Canterbury Chapel, with Reverend Clarence Stacy officiating.

Tomorrow there will be an Acolyte training center meeting at 8:30 a.m. at Canterbury Chapel. Monday evening the finance committee will meet at 8 o'clock at the home of Mrs. H. C. Bates, 3280 Sweet Drive, Lafayette.

There will be no Alpha Omega meeting Sunday evening. The high school group will meet instead next Friday afternoon at 3:30 for a swim and barbecue supper party at the home of Kit Meima, 646 Glenside Drive.

**TUESDAY** evening junior choir holds its regular meeting at 7 o'clock. Confirmation class meets from 8 to 9 p.m., both groups meeting at the Vicarage, 682 Michael Lane.

Thursday the women's Bible study group will gather at 9:30 a.m. at the home of Mrs. Walter White, 1089 Rahara Drive. That afternoon the Episcopal churchwomen's board of St. Anselm's will meet at 1 o'clock at the president's home, Mrs. J. C. Shaw, 3312 South Lucile Lane.

Senior choir rehearsal meets at 8 p.m. at Mrs. Joan Harter's, 673 Jennie Court.

**THE FINAL** meeting of the E.C.W. group will be a tour of several Episcopal-sponsored social service units in San Francisco.

Sunday, June 12, St. Anselm's members will have a church and church school picnic following the 10:30 a.m. service. The picnic place will be the North Caves at Tilden Park.

## Methodist

"Horizons for Skeptics" is the sermon topic of Reverend John Dodson, minister of the Orinda Moraga Methodist Church which meets in the Miramonte High School each Sunday at 11 a.m. for worship. The church school meets at 9:45 a.m. and classes for all ages are provided.

The final membership class will be held Sunday evening at the home of one of the church members. The class meets each Sunday evening at 5:45 p.m. At least four sessions are required for membership in the church.

Memorial Day will be celebrated by Methodists in California by visiting the many Methodist camp grounds. A group will go from our church early Monday morning.

Wednesday evening at 8 o'clock the commission on education will meet. The meeting will be concerned with setting up the summer program of the church school and to line up the church school for the year ahead.

Next Sunday the church will hold its first annual picnic at Redwood Regional Park, the Brookside area, and a fine time is planned by those in charge.

## Assembly of God

Reverend R. A. Work will be speaking on "Serving God With Purpose of Heart," Acts 1:23-27 at the 11 a.m. worship service of the Assembly of God Church, meeting in the Suburban Shopping Center, 3400 Mt. Diablo Boulevard, Lafayette.

Sunday school with classes for all ages begins at 10 a.m. At 6:15 p.m. the "Christ Ambassadors" meet under the direction of Mrs. Lois Williams. All interested young people from ages 13 through 35 are invited to attend.

Reverend Charles Bradbury, the associate pastor, will be speaking at the 7 p.m. evangelistic service. The Book of Acts is being studied in the Wednesday evening Bible study and prayer service at 7:30.

For further information regarding the church, call Reverend Bradbury, MU 5-2379 or Reverend Bradbury, AT 3-3920.

## Baptist

"Going Fishing" will be the sermon topic of Reverend Alan D. Southwell at the 11 a.m. worship service of the Moraga Hills Community Baptist Church temporarily meeting in the Moraga School, School Street, Moraga.

Church school classes are held at 9:45 a.m. for all ages. Nursery care is provided for children under three during the church school and worship. An extended session for pre-schoolers, first, second and third grades is also provided during the worship service.

The Junior High Baptist Youth Fellowship meets at the Moraga School at 4 p.m. Wednesday. George Nye, youth director, will lead the group assisted by Daun Dressler.

Bible study class for women meets Thursday morning at 10 a.m. in the home of discussion leader Jackie Fridel, 49 Hillcrest Drive, Orinda. A nursery is provided in the home.

## Presbyterian

"A Hot Faith for a Cold War" is the sermon to be delivered by Reverend William Carl Thomas Sunday at the Lafayette-Orinda Presbyterian Church, 49 Crest Road, Lafayette. Worship services will be held at 9 o'clock and 10:30 a.m. and nursery will be provided at both services for children under 2½.

Church school classes, for two and one-half-year-olds through sixth grade, will be held at 9 and 10:30 a.m. The Junior High Westminster Fellowship and the Westminster Campus Club will hold their meetings Sunday from 7 to 8:30 p.m.

**THE SESSION** will meet Wednesday at 8 p.m., as will the superintendents.

The father-son banquet will be held Friday night. Guest speaker will be Dan Glines.

Saturday at 6:30 p.m., an organizational meeting will be held for the Korean prayer missions group. This newly-formed group will be under the leadership of Ted and Rosemarie Ockels. The prayer group will sponsor Ken and Vonita Spencer and Dr. Voelkel in Korea. Interested persons are welcome to attend this potluck dinner. Call the Ockels for food assignment, AT 4-4305.

## Christian Science

Christian Science churches in this area are located at 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek, and in Concord at the corner of Grant and Park Streets.

**CHRISTIAN SCIENCE** Society of Pleasant Hill holds its services at Kahrs Avenue and Boyd Road, Pleasant Hill and Lafayette meets at 3409 Mt. Diablo Blvd.

STUDENTS of Julie Hesse will appear in two original ballets tonight at Miramonte High School. Shown are, left to right, Carol Rich, Raelle Wiles, Donna Sallet and Patricia Davis. Choreography will be by Mrs. Hesse.

—Photo by John Kessler.

## Christian

Reverend Darwin Mann's sermon topic this Sunday will be "While I Am Able." Reverend Mann will be assisted by Carroll Cotton, minister-in-training, in the 10 a.m. worship service of the Lafayette Christian Church held at 3419 Golden Gate Way, Lafayette.

Church school begins at 9 a.m. with classes for all ages. A supervised nursery is provided for children under three years old during both hours.

**THE LAST** in the series on "The Meaning of Church Membership" will be held Sunday evening at 5 p.m. at the church. Reverend Mann is conducting these classes for those considering church membership and recent new members.

There is no obligation for those attending to join the church. He will conclude the series with the topic, "What Does The Lord Require."

The Christian Youth Fellowship and Chi Rho groups will meet at the church at 6:30 p.m. Sunday for their regular meeting and a skit on service projects.

## Suburban

Sunday morning at the 11 a.m. worship service of the Suburban Bible Church Reverend Gray Lambert will speak on the subject "The Seeking Savior." At the 10 o'clock hour graded Bible classes for all ages will be held in the Veterans Building, 3499 Mt. Diablo Boulevard, Lafayette.

That evening there will be a special meeting of the Sunday school teachers and staff at 7 o'clock.

Activities of the church during the week will include Bible studies for ladies Tuesday morning at 9:30 and combined study groups Wednesday evening at 7:30.

Thursday evening at 8 o'clock there will be a meeting of a new series of Christian life classes dealing with some of the basic teachings of the Scriptures.

Nursery facilities are available at all regular services of the church and anyone desiring further information about the church and its related ministries is invited to call Reverend Lambert.

In connection with the church's ministry a Fellowship of Prayer is in existence and anyone desiring special prayer or spiritual counsel is invited to phone AT 4-4959.

## Congregational

Worship service will be held at 9:30 and 11 o'clock at the Orinda Community Church with Reverend Chauncey Blossom preaching the sermon. The senior choir, under the direction of Maurice Ellison, will sing "Grant Us Thy Holy Peace" by Palestrina. Mrs. Horton will be the guest speaker.

Church school classes, three-year-olds through the eighth grade, will be held at 9:30 and 11. Infant care will be provided during both services.

Senior Pilgrim Fellowship will continue working on the preparations for the carnival at their regular meeting at 7 p.m.

Seafarers will meet at the home of Mrs. Hanna Teiche, 210 Camino Pablo, next Friday, 7:30 p.m. The annual P. F. Carnival will be held at the church next Saturday, 10:30 a.m. to 5 p.m.

## dine out

**CARROLL'S** RESTAURANT & LOUNGE MORAGA (Rheem) DR 6-4213

## Covenant

In preparation for Daily Vacation Bible School an International Dinner is being planned for tonight at 7 p.m. at the Lafayette Covenant Church.

Those who are interested in assisting in this year's Bible school are asked to attend this potluck supper.

**SUNDAY SCHOOL** will be meeting at 9:45 a.m. and at 10:10 a.m. Pastor Mays wishes to meet with those desiring baptism.

During the morning worship service there will be a service of dedication of infants. The Reverend William C. Mays will speak on "Religion at the Fireside."

Many of the young people of the church will be attending the musical program at Acalanes High School at 3 p.m. featuring Tony Fontane. The junior high group will then go to the parsonage for food and a social time. The senior high young people will have a time of eats and fellowship at the Bergesen home.

A **UNION** baptismal service will be held at the Valley Baptist Church in Walnut Creek at 7:30 p.m. in place of the usual evening service.

A Father-Son Banquet is scheduled for June 3 at the church. A special program is being planned to include Sergeant William Porter of the California Highway Patrol, special music, and a sport fishing film.

## Baptist

"Cult of Sincerity" will be the message title of the Reverend Bruce H. Parker at the 11 a.m. worship service of the First Baptist Church of Orinda-Lafayette, one quarter mile east of Charles Hill overcrossing on the north side of the freeway.

Nursery care is provided at all services and a Junior Church convenes during the worship service.

Sunday school starts promptly at 9:45 with contestants vying for the winners' prizes during the preliminaries.

"Who Dun It" will be the high school Baptist Youth Fellowship theme at 6:30 p.m. with a special program for the junior high youth as well.

At 7:30 p.m. the evening evangelistic service will be conducted by Phil Philibosian and conclude with a message by Pastor Parker entitled "Jacob's Crises."

Wednesday, 7:30 p.m. is the time for the weekly prayer meeting with the emphasis on praying for special needs of church members and community. If you have a need feel free to call the pastor at CLifford 4-2194.

All services are conducted in the new sanctuary of the church on the freeway between Orinda and Lafayette.

## German-Born Julie Hesse Presents Original Ballet

The pupils of Julie Hesse will present an "Evening of Ballet" tonight at 8 o'clock in the Miramonte High School auditorium, Orinda.

Proceeds from the dance will be given to the Easter Seal Society for Crippled Children and Adults of Contra Costa County.

More than 100 Lafayette and Orinda children will participate in two original ballets, with choreography by Mrs. Hesse. "All White Ballet" will make up the first half of the program and after intermission, the concluding number will be "Day in the Park."

This is Mrs. Hesse's fourth ballet recital, and the third for the benefit of the Easter Seal Society. Tickets are available from Mrs. Raley Wiles, Lafayette and will be available at the door tonight.

As a child Mrs. Hesse studied at the Ballet Studio, Karlsruhe, Germany, later was the solo dancer at Staats Theater, Karlsruhe and

prima ballerina at Kassel Opera House until 1947.

In 1948 she married American Lieutenant Gottfried Hesse and came to this country. Her husband is currently teaching German at the Acalanes High Education Center.

Mrs. Hesse has taught ballet locally for approximately 10 years. In addition to private students, she teaches at Montecito and Springhill Schools in Lafayette, as part of the Cooperative Dance Group.

Her studios are located at 216 Moraga Highway, Orinda, and in Hidden Valley, Lafayette.

## Grant Pav Raises

Moraga School District trustees approved a 7½ per cent salary increase for the district's teachers at a special meeting at the Rheem School Wednesday night.

The district has 11 teachers this year, and a total of 14 may be employed beginning in September.

#### All-America Roses for 1960 Announced by Group

The names of the winners are out of the bag! Last May 15, the 1961 All-America Rose Selection winners were publicly announced: DUET, a hybrid tea rose; and PINK PARFAIT, a grandiflora. Both varieties were created by Armstrong Nurseries, Inc., Ontario, California.

With the addition of these two pink beauties, the total number of roses entitled to wear the green and white oval tag of AARS winners is 55. The AARS tag on any rose is your assurance that this is the best rose money can buy. It has been pre-proven, pre-tested by leading rosarians in every sector of the United States, under every growing condition, for a two-year period.

THE ALL-AMERICA system of rose testing is the most thorough and exhaustive carried on any-

where in the world. All new roses, whether from the United States or foreign lands, are welcome to enter if they meet the simple entry requirements.

A candidate rose is planted in each of the 25 official test gardens under conditions which might exist in any average, well-cared-for garden. In the 22 years since the organization of AARS, more than 1000 roses have vied for this coveted award.

As always, this year's winners were graded on excellence in 13 points: Habit, vigor, disease resistance, novelty, floriferousness, foliage, flower form, bud form, substance, color opening, color finishing, stem and fragrance.

HERE IS a thumbnail preview of 1961 AARS winners: PINK PARFAIT, a blend of delicate pinks, is only the third member of the grandiflora class to win this "Oscar of roseedom." An exceedingly vigorous, easy-to-cut rose, PINK PARFAIT is free-branched, long-blooming and a tremendous producer of blossoms. A single mature plant may bear a hundred or more perfect buds at one time.

The richly distinctive, hardy, bi-colored hybrid tea, DUET, is striking for its contrasting pinks. The inner face of its petals are a soft-salmon pink; while the reverse side is a contrast of rich rosy crimson. This medium-sized, vigorous rose makes an exquisite, long-lasting cut flower.

Today, California is often referred to as the rose basket of the world as it produces the majority of the 40,000,000 roses planted annually.

THIS LOVELY garden is an example of the type of landscaping you can do with a little effort and the assistance of your qualified nurseryman, who is available to help plan and plant your property. The photo shows the garden at the home of the Richard Scammells.  
—Sun photo by Bob Rush.

#### Shaded Roses Will Never Grow Up, Big and Strong

The thing to remember about roses is that you can't get good results if you plant them in the shade.

They like sun and plenty of it, the exception being that some midday shade is acceptable, even desirable, on blazing summer days.

So in choosing the proper bed for new roses, shun shading trees and walls except as noted above. Poor soil you can improve, but exposure you cannot unless you cut or tear shade-giving offender down.

WHEN THE site has been selected, you are ready to embark on a project that will provide you with pleasure for years to come.

From the selection of bare-root stock at the nursery through watching them break their leaf buds to developing flower buds and finally bursting gorgeous blooms, rose growing is as fascinating and rewarding a pastime as the gardener can enjoy.

The plant should be firmed in with the heel of your shoe and then watered well. A basin around each plant will be necessary to insure thorough soaking. That's all there is to it for now. Spraying and feeding come later, but that's another story.

#### Patio Art Show Is June 6; Local Ass'n Sponsoring

Artists and artist-craftsmen from the Bay Area have been invited to exhibit and actively participate in the Diablo Art Association patio art show, planned for June 5 at 1467 East Newell Avenue, Walnut Creek.

Seventeen different media are being offered by the artists, including the following:

Mrs. Gertrude Albright, Walnut Creek, textile painting; Harry Adamsons, Lafayette, hunting scene illustration, oil; Mesdames Des Neige Brown, Danville, crushed rock design; Nan Brooks, Lafayette, design in magnesite; Virginia Bollaert, Alamo, unsold-dered copper jewelry; LeRoy Beede, Concord, quick sketch pastel portrait; Vivian Cook, Lafayette, landscape in oil.

Wayne Carlson, Cowell, hand crafted wallpaper; Mesdames Barbara Gilson, Concord, mosaic; Florence Gordon, Walnut Creek, linoleum block print; Frankie Gilmore, Orinda, pastel portrait; Dr. David Harris, Walnut Creek, silver jewelry design; Mrs. Hilda Knollman, magnesite and mosaic design; Miss Margaret Miller, Walnut Creek, silk screen; Mrs. Norma Martinetti, Pittsburg, sand casting.

#### Beware of Garden Bargains Unless Dealer's Good

Here are items for area gardeners to check this week:

"You get what you pay for" is a saying which holds true in gardening. Beware of bargains, unless they're offered by a reputable firm. The green and white symbol of the California Association of Nurserymen is your best guarantee against misrepresentation.

Keep after snails and slugs. The use of bait or pellets at intervals will keep your garden free from these pests. Any C.A.N. nurseryman can give you advice as to how to apply in areas to protect small children.

As blooms fade, keep picking them off. Allowing them to go to seed saps energy from the plant.

If you have problem spots where grass won't grow, ground covers can enhance the beauty of your property. Consider them for banks or in areas that are difficult to reach with mower. Also, ground covers make an attractive living mulch.

With the promise of hotter weather, don't be stingy in applying a mulch. A layer of two to three inches of peat moss, manure, woodshavings or bark around the base of shrubs will conserve moisture and pay off in more luxuriant plant production. It keeps weeds out, too.

**Are You Ready for Hot Weather?**

### Welfare Groups Discuss Wider Coordination

What is the future for Community Welfare Councils in Contra Costa? This was the theme for a director's conference for East, Central and West Community Welfare Councils recently at the Walnut Bowl, Walnut Creek. Possibilities of planning and coordinating health and welfare services on a county-wide basis were discussed. Judge Wakefield

Taylor is president of the Central Council. Kelly, second vice president; Mrs. Tudor Jones Jr., secretary; Joseph H. Felice, treasurer; E. Morgan Greenwood, Donald V. Morrison, Miss Wursel and Mesdames Alice Breckling, Jack

Dana, R. C. Fehlman, Lee Kidwell, John C. Taylor and John Langdon Taylor. Mrs. Sigrid Salmon is acting director of the Central Contra Costa Community Welfare Council.

Director of the East Council. West Community Welfare Council offices are located at the Memorial Auditorium, Richmond. Ralph Kramer is executive director.

# You Don't Even Know That It's There!

NO ONE WAS certain whether bottle "A" or "B" contained fluoridated water at Saturday's "water-tasting party" sponsored by the East Bay Committee for Fluoridation and held in Walnut Creek. Committee officials contended the results mean that the addition of fluoride to drinking water does not affect the taste or consistency of the liquid. From left to right are Eric Nielsen of Orinda, Mrs. Paul Levatin of Lafayette, Mrs. R. L. Betzenderfer of Walnut Creek and Mrs. Michael Wood of Orinda.

## We Like It Here... A Hole in the Bucket... & a Few in the Head!!

By MARIE MONAGHAN

HOW do we know it's Spring, half-past & NEARLY Summer? Well... we brushed the first ladybug from our sleeve today & shushed the begging bluejays from the begonias... The squirrels in our garden are getting braver & so are the quail.

We've a lump in the throat & a bump on our head! WE'VE KITTENS in the closet, flea powder on the pooch, cocoons in the curtains & cobwebs in the cornices!

IT'S here, alright! We've got band-aids on our fingers, blisters on our hands, poison oak all OVER & sunburn on our shoulders & in the mornings, we FREEZE to death!

SPRING IS LATE & so are we... suddenly seized with a desire to play house... to spring clean & scrub everything in sight!

Out with the winter gloom & set the stage for summer. Bring on the gay Japanese lanterns, fill a basket full of daisies, roll out the rice mats & cover anew a few faded pillows.

THE HAMMOCK has holes in it, the patio chairs are on their last legs literally & the chaise longue is not long for this world! We're short on cookies, long on lemonade & running even-stein on the ice cream cones.

WE'RE LOADED & then some... with lettuce in the larder, cucumbers in the cooler, tomatoes on the vine & asparagus EVERY night!

We've got corn on the cob & Jack LaLanne on TV... & scorched carrots on the stove... while we practice our nip-ups! (Your swim suit shrunk, TOO?)

We chased a moth around the room one midnight & stubbed our toe. We backed into a telephone pole & ran into the hoe.

WE GOT speared by the spade, stabbed ourself with the barbecue fork, smashed our thumb with the hammer & burned an elbow on the brazier.

Yep! It's Spring for sure! We tripped over a bat, lost a new baseball... & busted our butterfly net, Boo-Hoo!

We've lizards under glass, snakes in a shoebox, no fish in the bowl & moths in the rug!

WE'VE got bees in our bonnet because the beach towels on the line were ALL dry but we didn't take them in. NOW they're soaking wet after hanging out in last night's sudden deluge. So is the new sun mat.

There are balloons in our mail... & holes in our mail.

THERE'S A CRICK in our neck, a creak in our door, a squeak in our floor-boards, an ache in our back & a sliver in our foot!

We've got golf bags in the garage, travel folders on the table, mildew in the clothes basket, crickets in the firewood & field mice in the furnace!

We've got leaves in the eaves, rust on the hinges, flat tires on the bike no soles on the keds & no knees in the jeans.

The ONLY thing about this crazy mixed-up Spring... is that Summer is just a calendar page away!

AS AN OLD Native Californian would say, it's a Most Unusual May!

## Letters to The Editor

FORDE FACTS

Dear Editor:

In the original "report" printed in the May 6 issue of The Sun, and now in the follow-up letter by John Forde Jr. in the May 20 issue there is so much misrepresentation of fact that it would be pointless to go into all of it.

Just a couple of examples: they say they presented FACTS and were rendering a public service by making these FACTS known to the public, and that there were no insinuations intended. They gave us FACT: "... that Judge Rahn has presided over fewer criminal trials during the first three months of this year than have other judges."

The comparison given is: San Pablo, 101; Walnut Creek, 57; Concord, 83, and Richmond, 248 (there are three judges in the Richmond Municipal Court, which averages out to 83 cases per judge.) This is fact, but only half fact when it is not accompanied by the total number of cases filed. They are insinuating an inefficiency here, and they fail to point out how a court can be more efficient with more than one judge.

They claim the courts can be comparable because of very similar case loads in MOST categories. When our court matches the number of CRIMINAL cases of San Pablo and Richmond I'll be the first to move from the area! They were very careful to leave out the percentages of this "fact."

Now for the closing paragraph in the letter of May 20 written by Mr. Forde. It can not be called a statement as no facts were given. Was it an insinuation? If so, what did it

mean? If this is truly meant to enlighten the public and Mr. Forde and the other attorneys know why there is such a big increase in jury trials why won't they tell us?

As far as I know a trial by jury is requested by the accused (usually on the advice of his attorney). Could it be that the attorneys are responsible for the growing trend toward jury trials? If so, why? Is lack of cooperation, or lack of trust between judge and lawyers the cause of court inefficiency? Is the battle between the sexes taking place in our court?

If we are expected to keep open minds so as to pick the best of two candidates we have a right to expect truth from both candidates and from those who support them. It's going to be a big mess if we all decide to go see those records for ourselves!

Or maybe we could all go observe in court as Judge Rahn has suggested.

Come on, help us out. If you are going to print these letters on the front page as factual news we want to know if they have been checked for accuracy. Otherwise they belong in the "Letters to the Editor" column where we know they are merely statements of opinion, and we can read them as such.

CONSTANCE CONDON

(The facts which appeared in the first article were gathered by a group of attorneys, obviously supporting Longacre. The names of these attorneys were printed the following week in The Sun. They are responsible for the accuracy of the figures, which has not, to date, been challenged by Judge Rahn. Ed note.)

## Letters to The Editor

FLUORIDATION

(Editor's Note: The Sun also received letters from Mrs. G. B. S. Ricketts and Mrs. Willard Sweetman Jr. on the same subject. Editorial comment on the matter will be found in today's "Under the Sun" column.)

Dear Editor:

Your editorial of May 20 made the statement, among others, that all our friends in New York City drink fluoridated water.

Knowing that you would not purposely make a false statement, may we call your attention to the following: For five years the people of New York City have resisted repeated attempts to have their water fluoridated, and as of this date the public water supply of New York is still unadorned by fluoride.

You can verify this very easily by writing to Mayor Robert Wagner for confirmation.

We respectfully ask you to print our letter correcting this, we hope, unintentional error on your part.

MRS. MARTHA HARTZEL

UNIONIZATION

Dear Editor:

(The following letter was sent to Supervisor Mel Nielsen, with the following copy to The Sun.)

Earlier this week I read in a local newspaper an article whose implications were to me most frightening.

It was a story about the attempts of the AFL-CIO to set itself up as the bargaining agent for policemen and deputies in Alameda and Contra Costa counties.

However sugar coated, this would appear to be the opening step on the part of a special interest group to control the police power of the state.

The writer feels that any attempt on the part of any "Big Brother" to secure dictatorial power over our lives is dangerous. This is true whether he be Republican, Democrat, Minister, Pope, Rabbi, Conservative, Liberal, Corporate Chairman or Union Leader.

If some of the prospective "Big Brother's" leaders are already politically powerful or have been shown to be unethical, dishonest, or arrogant in the discharge of their duties, the prospect is doubly distasteful.

If the AFL-CIO becomes police bargaining agent, would it open the possibility (however vigorously denied) that someday our sheriff might have to hire his deputies like a contractor hires carpenters; i.e. from the union hall?

If the AFL-CIO becomes police bargaining agent, how would the following citizens feel about going to the police for protection:

(1) A union member who feels he has a legal grievance against his union. Most union members I know feel (rightly or wrongly) that it is useless or dangerous to speak up in their own meetings.

(2) A picketed businessman who feels the pickets have been doing something illegal.

(3) Any citizen who has been threatened with union violence.

(4) A fellow in a barroom brawl with a business agent.

By all means let us see that our deputies and law enforcement officers are well enough treated and paid and fast, but let's at all costs keep them under the control of the public and its elected officials, not under ANY special interest group.

WM. S. SIMPSON

## Under The Sun My Face Is Very Red! I Made a Mistake!

By HERMAN SILVERMAN

"Hey, boss, you surely butchered last week, didn't you," mewed Snoopy, the office cat. "You said New York City fluoridates its water—and any darn fool knows they are battling over this and do not fluoridate."

Well, Snoopy, I made a mistake. I had read quotes from the 1955 report of the Board of Health, City of New York. This report to Mayor Wagner said, "This review has reconfirmed the opinion of the Board... namely, that fluoridation of the water supply is a safe procedure and that it is the least expensive way of reducing the enormous load which our citizens carry in trying to keep up with dental decay in children and adults."

I thought they were now fluoridating the water supply. I was wrong. I readily admit it and stand corrected. But my point is completely valid: As of March 11, 1960, 1901 American cities and towns with 36,876,181 people are preventing tooth decay by adding fluoride to their drinking water.

### See for yourself...

Here is a list of some of the larger cities where fluoridation is in progress. Populations listed are as of 1950. Source: Division of Dental Health, Health Department, Contra Costa County, May 23, 1960.

#### FLUORIDATION U.S.A.

A list of some of the larger cities where fluoridation is in progress.

Chicago, Illinois	3,606,436
Philadelphia, Pa.	2,064,794
Baltimore, Md.	940,205
Cleveland, Ohio	905,636
St. Louis, Mo.	852,636
Washington, D. C.	797,670
San Francisco, Calif.	1,000,000*
*Population served by the utility.	
Pittsburgh, Pa.	673,763
Milwaukee, Wis.	632,651
Buffalo, N. Y.	577,393
Minneapolis, Minn.	517,277
Indianapolis, Ind.	424,638
Denver, Colorado	412,856*
*Natural and added fluorides.	
Louisville, Ky.	367,359
Providence, R. I.	450,000
Miami, Fla.	246,983
Montgomery & Prince George Counties (Md.)	310,000
St. Paul, Minn.	309,474
Atlantic City, N. J.	325,000
Oklahoma City, Oklahoma	242,000
Richmond, Virginia	229,906
Nashville, Tenn.	178,000
Grand Rapids, Michigan	177,000
Monmouth County, N. J.	156,000
(One utility serving 21 places)	
Little Rock, Arkansas	147,000
Charlotte, N. C.	135,000
Corpus Christi, Texas	109,000
Peoria, Illinois	117,000
Vallejo, California	80,000

Do you know that the bases of our own Army, Navy, etc. fluoridate their water?

### San Francisco and Peninsula

Let's look close to home: "San Francisco was one of the first cities in the country to adopt this forward step toward controlling tooth decay," declares the director of the San Francisco Department of Public Health, May 23, 1960. "Our city's water, supplied to approximately 1 million residents of this and peninsula communities, has been fluoridated in part since 1952 and in toto since 1955."

"During these years not one doctor or dentist has reported any indications that fluoridation has adversely affected the health of any person, regardless of age."

The report continues, "Nor have there been any reports of any administrative, technical or industrial problems of any consequence resulting from the use of fluorides in the water."

### How about Antioch?

Now, let's look to our neighbors a few miles away—in Antioch. A recent issue of the Journal of the California State Dental Association noted that after five years of fluoridation, there had been a 48 per cent reduction in dental decay of the permanent teeth of the 5- to 8-year-old children at Antioch.

The report pointed out that there was an impressive improvement in the dental health of the 5-year-old children, with 40 out of every 100 never having experienced any dental decay.

Well, dear reader, are you tiring of this talk about fluoridation?

I am.

But are you tired of going to the dentist? Tired of taking your kids to the dentist? Tired of those giant dental bills, which will continue for years?

It will be over rather soon. A week from Tuesday is the election.

How are you going to vote? How are your friends going to vote?

### Will fluoridation win?

I predict fluoridation will be defeated.

Why?

Because the opponents will turn out en masse, the proponents and in-betweens are not so stirred up and because the total interest in the June primary is lacking. Unfortunately, many people will not take the trouble to vote.

Incidentally, remember—next Wednesday, 8 p.m., at the Acaalanes Gym. Two interesting debates sponsored by The Sun: between Judge Betsy Rahn and Joe Longacre, running for Municipal Judge; and a fluoridation debate. See you then.

## A Thorough Study Is In Order Before We Pay

The Pacific Gas and Electric Company has applied to the Public Utilities Commission for a rate increase. The amount asked is estimated to increase your monthly bill by about \$1.05.

The company is asking for a rate increase, it says, because its costs of purchasing gas and operating have gone up. We would respectfully suggest to the commission that this rate increase be denied until a thorough study of the operations of PG&E is made.

The PUC represents the people—all of us—and as such is in a position to outline to PG&E what it wants to know. The commission is in no position to undertake such an extensive study as we are suggesting, but PG&E itself could do so.

**THE BURDEN OF PROOF** for the necessity of the increase should come from the utility company, but the increase should not be granted until the commission is positive that the utility company is operating as economically as possible and that the increase is thoroughly justified.

We do not think that PG&E expects to get the full amount requested, and it is entirely possible that a fair increase is in line. It would take a thorough study to determine what, exactly, constitutes a fair increase.

The utility company is guaranteed a six per cent return on the dollars it spends, so in many ways the more the company spends the more it makes.

**IT SHOULD ALSO** be noted that Pacific Gas and Electric Co. is probably one of the best-managed companies operating in this area—or possibly in the United States for that matter.

## This Could Be Dangerous!

A proposal that city policemen and county sheriff's deputies unionize has recently entered the local scene.

Obviously, for the welfare of all concerned, this should not be seriously entertained. In fact, it could be a decidedly dangerous move.

In the first place, the deputy sheriffs already have a good, strong association. Secondly, the county has an equally strong employee's association.

**IT IS DIFFICULT** to see where unionization would provide any added benefits to the peace officers.

The unionization plan has drawn considerable criticism already from people who are in a position to know the workings of county and municipal government, and the relations of police forces to the county and municipality.

In the first place, governments are not required to recognize unions and public workers are prohibited by law from striking. So it would be difficult

We are not suggesting that PG&E is demanding anything exorbitant, or that they are badly managed.

We are suggesting, however, that the PUC, which is representing the people, is in a position to determine accurately what is needed.

PG&E went for many, many years, asking only slight rate increases, and the company should be commended for this. Lately, however, the rate increase requests have been growing more frequent, and it is, perhaps, time to look into the situation thoroughly.

There is little question that PG&E's costs have gone up, just as all costs have risen. But on the other hand, the company is serving more customers and doing a much larger business. This should offset some of the increased costs, simply through the increase in volume.

**MOST PRIVATE** companies do not find themselves in the position where they can increase prices every time their costs climb a bit, and it is up to the PUC, as our representatives, to safeguard us against unnecessary increases in our rates.

Finally, it is entirely possible that this rate increase request—or part of it—is necessary, but that will have to be determined by the PUC.

We do not see how the PUC can determine what is fair without a thorough study of PG&E's operations, and this is an extensive proposition.

But PG&E is capable of providing any information that the PUC may need. We therefore suggest that this application for a rate increase be denied until such a study is made.

for such a union, if formed, to be any more than a bargaining agent for wages and hours.

Another facet to consider is the feelings of the employees themselves. Many, many people, including a good share of county employees, were unhappy when the county joined the AFL-CIO recently. It was by no means a unanimous feeling of the employees that the county workers should affiliate with the union.

**BUT THAT IS** a different story, altogether, than our police forces becoming unionized.

Our deputies and our law enforcement officers should be well treated, and well paid, because by and large they do an excellent job of protecting us. Theirs is a dangerous and often thankless task.

But strengthening of their forces should come from within—from the organizations already set up, rather than from the "outside" through affiliation with a union.

## The Staff Corner A New 'Togetherness'

By LARRY GLAZIER

There are several obvious indications that the San Francisco Giants have already carved themselves a very permanent niche in the hearts of most Northern Californians.

Principal among these indications are the monumental \$15 million Candlestick Park, which grew from the wastelands of the Candlestick Point bay frontage, and the increasingly large crowds of baseball fans and curious persons who brave wind, cold and traffic to see the Giants play at home.

**A VERY GOOD REASON** for the size of the team's home audiences is the fact that, in addition to a host of talented and exciting athletes, the Giants have given the Bay Area a new concept in "togetherness."

When the team moved from New York to San Francisco two years ago something new and different was injected into a Bay Area resident's way of life—another thing the whole family could do and enjoy together was added. The observance of Pleasant Hill, Walnut Creek, Lafayette and Orinda nights at the ball park became almost a common occurrence, even when the team called Seals Stadium home.

And these observances spread to most public-spirited communities throughout Northern California.

**WITH WALNUT CREEK** and Lafayette planning Giants' Night observances in the very near future, the variety offered by the celebrations can easily be seen. The trips may be made with or without dinner included, special com-

munity events can be planned in conjunction with the celebration and so on.

For these and several other reasons, the family and community style ball park trips have supplanted the old Ladies' Day events which were so popular on the East Coast when baseball was in its prime there.

Ladies' Day, as I recall, was held on most occasions on weekdays when the ballplayers might have felt they had been completely deserted if some persons were not allowed into the park free of charge.

So, the ladies went on their own while their spouses were at work, and the teams invariably lost money.

**UNDER THE BAY AREA** system of community events, trips to the games are planned for evenings and weekends, when the entire family, Junior included, can take advantage of them.

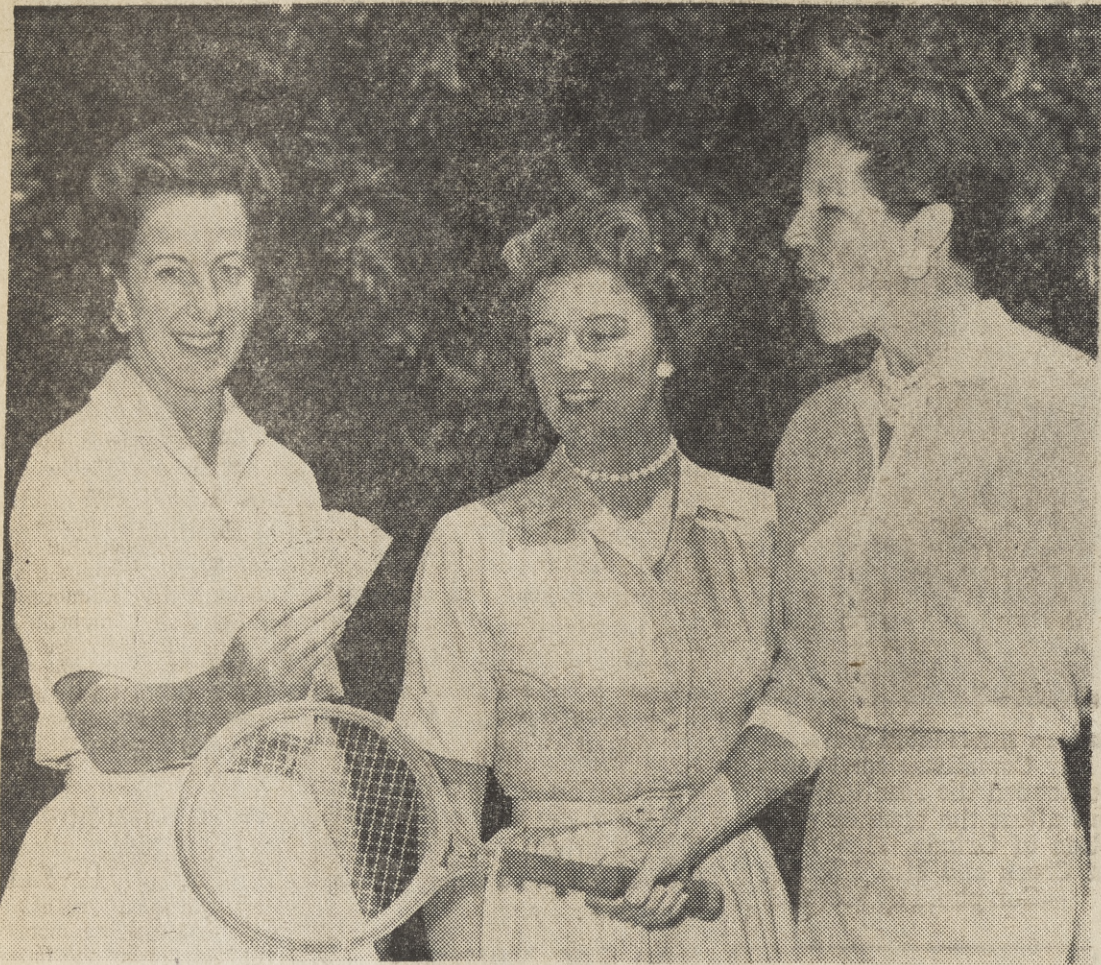

There are some who say the Giants' Nights have been so successful because of the newness of major league baseball on the West Coast.

This reasoning is contradicted by the fact that celebrations of this type have been growing in interest in all central county communities each year.

Also, chambers of commerce and other sponsoring organizations have found that Giants' Night helps communities by inducing spirit among the residents.

So next time your community has a Giants' Night take advantage of it—it's relatively inexpensive, there is no inconvenience and it's fun for the whole family.

**TENNIS** professionals will perform at the Cow Palace June 17, 18 and 19, sponsored by the Children's Home Society and the Youth Tennis Foundation. Heidi Chapter is arranging local ticket sales at Kelly's. Pictured from left, Mesdames R. H. Lockey, Charles Merrill and James Hicks of Heidi Chapter.

## Guild Installs New Officers

Immaculata Guild of St. Mary's Parish held installation of new officers Monday at the Women's Clubhouse in Walnut Creek.

Incoming officers to resume duties are the Mesdames James Robinson, president; Ferrill Stewart, vice president; Robert Munn, recording secretary; Anthony Korjenek, corresponding secretary; Robert Murry, treasurer and Charles Michael, historian.

Entertainment for the evening was furnished by Mrs. Mary McDaughton, who sang "Ava Maria" and "The Lord's Prayer."

Mrs. Edward Regan, chairman of the Baccalaureate Communion, announced the graduation seniors of St. Mary's Parish will receive communion at the 8:30 Mass on June 12 with breakfast following at the Walnut Bowl.

## Susan Murray Engaged to Stanford Man

The engagement of Susan Jean Murray to George Priford Harrison has been announced by her parents, Mr. and Mrs. Edwin C. Murray of Orinda.

Last night, Susan's classmates at Stephens College, Columbia, Missouri learned of the engagement. Her parents were on for the occasion and to attend their daughter's graduation.

Following the graduation ceremonies, the bride-elect, with her parents will journey to Hamburg, New York, where the engagement news will be retold to family and friends at the fiftieth wedding anniversary of Susan's parental grandparents, Mr. and Mrs. Charles E. Murray.

George is the son of Mr. and Mrs. Robert D. Harrison of Orinda. The engaged couple are both graduates of Acalanes High School. He is now a junior at Stanford where he is affiliated with Beta Theta Pi fraternity. He is the grandson of Mrs. Walter J. H. Harrison and the late Mrs. Harrison of Berkeley and the late Mr. and Mrs. George Priford, also of Berkeley.

No definite date has been set for the wedding.

## Mizpah Circle Seats Charter Leadership

Mizpah Circle, formed recently to help find foster homes for neglected children who are in Contra Costa County Juvenile Hall, met last week for luncheon and installation of officers at the home of Mrs. Morris Meeks at 73 Turrini Circle, Danville.

Mrs. Richard E. Hall, president of the northern California branch of Kings Daughters, served as the installing officer for the charter officers. She was assisted by Mrs. Albert Nickell, membership chairman.

Officers installed are the Mesdames Alfred F. Virden, president; Charles Marshall, Joseph E. Tooker, vice presidents; Ray Whitmer, recording secretary; Ivan D. Chappell, treasurer; and Lee Wooley, historian.

## Junior League Names Three Area Women

Contrary to previous years, the Junior League of Oakland has only a small number of Provisionals from the Contra Costa area in its neophyte ranks.

These newest additions, including two from Orinda, one from Lafayette, will be honored at "Playday", an annual lunch and swim party to be held at the Monroe Greenwood estate in Lafayette on June 14.

Comprising the Provisional Class of 1960 from this region are:

Mrs. Richard Cotter (Janet Taylor) 111 Las Vegas Road, Orinda. U.C. Gamma Phi Beta, Phi Chi Theta Honorary society, Pelican Staff, Berkeley Clinic Auxiliary Chairman; Cedar Jr. Branch, Alta Bates Association, Eta Chapter Gamma Phi Beta Alumni Advisor. 2 children.

Mrs. John Hansen (Jo Ann Breeze) 1122 Rahara Drive, Lafayette. University of Utah, U.C. Pi Beta Phi, BA in Education, Cedar Branch, Country Home and Garden secretary, Guide Dogs For The Blind, Church School teacher, Pi Phi Alumni member. 3 children.

Mrs. Kinnear Smith (Mary McEneany) 95 Sleepy Hollow Lane, Orinda. U.C. Delta Gamma, vice-president Berkeley Clinic Auxiliary, Heather Branch, T.B. Christmas Booth, Orinda Nursery School. 1 child.

## Dessert Card Party Dated

The Danville Junior Women's Club will combine cards and fund raising, June 15, when members and guests gather in homes of members for an afternoon of bridge.

The dessert-bridge party is scheduled for 12:30 p.m. in the Danville homes of Mesdames Richard Albert, Frank Pigeon, Nat Davis, Raymond Neff, and Herbert Polk, senior coordinator. Members residing in Alamo who will open their homes for the event include Mesdames Robert Brown, William Brown, and Nicholas Merriman.

Proceeds from the function will be used to purchase special equipment for the new Danville library, which is expected to open early next year.

Tickets, at \$1.50, may be obtained by calling Mrs. R. Albert, at VErmont 7-5055, or from any club member.

## Shower Honors August Bride

A bridal shower and tea, honoring Bonnie Gallagher, daughter of Mrs. Florence Gallagher and the late Hugh F. Gallagher, was given recently at the Lafayette home of Mrs. Lois E. Harrington.

Co-hostess with Mrs. Harrington was her daughter, Barbara. Fifty-five young ladies attended the affair in honor of the bride who will wed Jon R. Tibbetts on August 20. Tibbetts is the son of Mr. and Mrs. D. Reginald Tibbetts, formerly of Moraga, now living in the British West Indies.

Bonnie, who will graduate from Acalanes in June, and her fiancé plan to live in Menlo Park after their marriage, where he will complete his senior year at Menlo College school of business administration.

## Patricia White Engaged to William Wilson

The engagement of Patricia Larmer White to William Wilson III, was announced April 30 at a small family dinner party at the home of her parents, Mr. and Mrs. Stanley Bernard White of Orinda.

Her fiancé is the son of Mr. and Mrs. William Wilson Jr., of San Marino, California. The couple plan to be married at the Carmel Mission June 25.

The bride elect is a graduate of Acalanes High School and the University of California where she was affiliated with Alpha Delta Pi Sorority. The groom is a graduate of Lawrenceville School, New Jersey and Stanford University where he was affiliated with Alpha Delta Phi Fraternity.

## Women in The Sun

Friday, May 27, 1960

A LATE FALL wedding is planned by Maileen Williams and Gary Phillips whose engagement was announced recently at a champagne party. The bride elect is the daughter of Mr. and Mrs. Mason C. Williams of Walnut Creek.

## Coral Branch Plans Auction

Members of Coral Branch of Children's Hospital of the East Bay are inviting more than 100 friends to an informal luncheon and auction June 14 at the Lafayette home of Mr. and Mrs. John Turver.

Entertainment will be provided by two kinds of auctions, according to Mrs. Turver and her co-chairman, Mrs. L. Robert Cameto. First will be a "silent auction," with selected items on display before and during luncheon. Would-be purchasers will write in the amounts they are willing to pay, with the last and highest bidders getting the items of their choice.

A "dutch auction," which, according to Mrs. Turver, resembles the game of musical chairs, will follow luncheon. All guests and Coral Branch members will have numbered cards to raise for items they want. Mrs. Cameto and Mrs. Turver, assisted by Mrs. Ralph Meyer, will take turns as auctioneer, calling raised numbers at random.

## Mrs. Counter Leaves for Cruise

Mrs. Edward C. Counter embarked recently on the SS Cleveland for the Orient, Japan, the Philippines, Hong Kong and Hawaii are included on the itinerary of her six week Orient cruise.

## Luggage Packing Will Be Topic At Luncheon

"Let's pack up and go!" will be the theme of the Wednesday luncheon of the Christian Women's Club meeting at the Concord Inn, at 12:30 p.m.

Vacation-minded club members will see a demonstration on how to pack luggage properly presented by Miss Mary Taylor of San Francisco, United Airlines representative, who will be introduced by Mrs. Frank Dobbs of Concord, program chairman.

With the joint national convention of the Christian Women's Clubs and Business and Professional Women's Clubs of America convening in San Francisco in July, the travel idea will be carried out in the decorations to be provided by Mrs. Clifford B. Koenig of Walnut Creek and her committee.

Mrs. Victor Whetzel of Danville, guest speaker, will relate exciting experiences encountered during her recent trip to the Orient.

Mrs. Sholy will introduce the speaker as well as present Mrs. Carl E. Nelson of Moraga, vocal soloist, and her accompanist Mrs. Douglas Olson of Lafayette.

Luncheon and nursery reservations may be made with Mrs. Nita Hoxie of Pleasant Hill or Mrs. W. W. Rotmund of Concord.

## Kappa Delta To Honor Graduates

Graduating Kappa Deltas and their families will be entertained on Commencement Day, June 11, at the University of California chapter house.

Assisting with plans for the party are Mrs. Esther Baker, house mother, and the Mesdames J. E. Lateana, Lafayette, president; Harry Bruno, James D. Bingham, and George O. Howson.

Honorees will include Marilyn Day, Lynn Hieronimus, Sue Dornin, Marlene Peck, Sharon Dunn, Nancy Hogan, Toni Chouret and Sue Smith. Each graduate will be presented with a piece of sterling in the pattern of her choice.

## Danville Club Names Officers

The Danville Women's Club has elected Mrs. David Janda president for the 1960-61 term. Named to serve with her are the Mesdames Guy Albright, first vice president; Louis De Meo, second vice president; Lawrence Ferguson, recording secretary; A. Gorman, corresponding secretary; Jack Jensen, financial secretary; Maury Marotte, treasurer; Fred Egbert, auditor; Alice Selzer, director.

A new members tea was held on Thursday. Mrs. Arven Scott, music chairman, presented for the afternoon program, Mrs. H. V. Sax, guest speaker and Miss Peggy Comstock, guest soloist.

Hostesses were Mesdames William Nah, Joe Ullisse, Martin Turkington, Herman Timmons and Doris Carvalho.

Plans are underway for the annual pot luck installation barbecue for the new slate of officers on June 4. The barbecue, to include husbands and guests, will start at 5 p.m. at the home of Mr. and Mrs. Andrew Prisco.

The next business meeting of the club will be held on June 2.

## Engagement Is Twice Told at College, Home

Passing of the candle and traditional box of candy to her Beta Delta sorority sisters on May 6, revealed the engagement of Maileen Rose Williams to Gary Webber Phillips.

Twice told, the engagement was revealed to the groom elect's fraternity brothers at a champagne party at the home of his parents, Mr. and Mrs. Harry Phillips of Alamo.

The bride elect is the daughter of Mr. and Mrs. Mason C. Williams of 2471 Lunada Lane, Walnut Creek. A graduate of San Ramon High School, she is now a sophomore at College of San Mateo where she is a member of Beta Delta.

Tentative plans are being made for a late fall wedding.

## Women's Guild Plans Fun Day

"Fun in the Sun" is the theme for the annual June affair of the Women's Guild of the Orinda Community Church. The event will be held at the Joseph Long garden and pool, 10 Lombardy Lane, on June 14.

Guests will be served a picnic lunch at noon followed by a program of swimming, bridge, and something special that entertainment chairman, Mrs. E. P. Wayne, is keeping secret.

Tickets are \$2 and child care tickets 50 cents per family. Please call ticket chairman, Mrs. Stewart Crawford, at CL 4-0439 for tickets. General chairman for the affair is Mrs. Wallace Granberg.

# This Mother Is Important At Home

## She Knows Value of Mother Who Stays Home

By JEAN JERNIGAN

Happily at home at 3227 Sweet Drive, Lafayette, Mrs. Theron Nelson is a wife and mother who joyfully fulfills her role with contentment.

Realizing that a nine year old boy and an 11 year old girl are at the age when Mother is perhaps more important to them than at any other time, Elizabeth Nelson has curtailed her outside activities and centers her energies around her family.

FOR TWO years she was a Brownie leader for her daughter Deborah's troop. At "fly-up" time, Mrs. Nelson was as proud of the girls as if they had all been her own.

"We shared so many experiences and good times," she recalled, "that I felt they were all my own girls." As a Brownie leader Mrs. Nelson specialized in nature, song and dance activities, favorites for her own leisure time. Next fall she is looking forward to being den mother for Den 8, cub Pack 238, of which her son Chris is a member.

The Nelsons met at Redlands College in Southern California where both were students. She graduated with a degree in education, but military service interrupted his studies. Later, after they were married he earned his degree at Stanford.

AS A FAMILY, the Nelsons like to take trips together and have explored all up and down the California coast. Shells, butterflies and moths are among their collections.

"Theron makes the frames for us," Mrs. Nelson remarked, "and the children and I do the mountings. We are interested in snakes and lizards, too, but that is one interest my husband definitely does not share with us!"

Theron Nelson is active in Lafayette civic affairs, so active, that Mrs. Nelson laughingly said, "He belongs to so many things that I dropped out, after all, someone has to baby sit." Mrs. Nelson is a very willing baby sitter, however, for she appreciates the fine work her husband does for the community.

AMONG THE more recognized activities he has participated in are the Bike Safety Rodeo as a member of the board of the Burton School PTA, service as president of the Lafayette Community Center and Stanford Men's Club and working with the Lafayette Design Committee.

"The nights that he is gone," Mrs. Nelson said, "I help the children with their homework, see that everything gets done that should be done, sew and play the piano."

Mrs. Nelson, who is called "Liz" by her friends, makes all of her daughter's clothes. She enjoys music and plays for her own pleasure, and sees that daughter Deborah, who is taking piano lessons, does her practicing.

THE LAST FEW weeks have been particularly busy ones for the family, preparing for the Burton School Fair. Last weekend Mrs. Nelson spent Saturday serving in various booths at the fair, service that was preceded by hours and hours making and pressing doll clothes which were sold at the fair.

As a member of Chapter OF, PEO, Mrs. Nelson has served the organization as secretary and corresponding secretary. Recently she pitched in with other members and helped to prepare and serve luncheon for 117 PEO members at the Reciprocity Bureau of the East Bay luncheon held at the Walnut Creek Women's Club.

PEO, AN INTERNATIONAL organization, maintains a college in Missouri, provides Peace Scholarships, and keeps a revolving fund from which girls may borrow to help complete their education. It is an organization dedicated to the education of girls.

When time permits, the Nelsons enjoy an evening at the theater. Usually, however, their pleasure is found at home with their children and their pets, a white rat and two mosquito fish.

FUN TIME is all the time, when Mother is home. Mrs. Theron Nelson of Lafayette happily accepts her role of homemaker. Pictured with her are the Nelson's children, Deborah and Chris, with the family pet rat perched on Chris' shoulder.

## Junior Museum Alliance Luncheon Is Wednesday

The second in a series of monthly fashion showings will be held at Jay Bedworth's Red Mill in Lafayette on Wednesday with luncheon to be served at 12:30 p.m.

The luncheons, sponsored by the Diablo Junior Museum Alliance, are held the first Wednesday of every month, and proceeds aid the continuation of the Junior Museum summer workshop program.

The King's Queen of Walnut Creek will present fashions featuring the latest in new summer apparel direct from the Los Angeles market. Coordinators of this luncheon and fashion show are Mrs. William Anderson and Mrs. Gus Spilker, and serving from the Junior

Museum Alliance as hostesses are Mesdames Irving Julius, Jack Eymann, Philip Schieder-mayer, Adrian Lindsay, and David Patterson. Mrs. John Enright and Mrs. George Smith will assist with models.

A bevy of lovely models have been selected for the day and include the Mesdames Gordon E. French of Orinda, Harold Havre Jr. of Orinda, E. Walton Kirk of Alamo, G. R. Hixson of Walnut Creek, H. B. Turman Jr. of Piedmont, Joseph Villa Sr. of El Cerrito, Jean Paul Watteau of Orinda, C. Wadsworth White, of Danville, Ridge-way Woodburn of Danville, and D. N. Baldwin Jr. of Diablo.

Reservations should be made with Mrs. John M. Floyd, AT 3-2480.

## Pat Laverty Will Be June Bride

Patricia Frances Laverty has chosen June 11 as the date for her marriage to Bradley Kenneth Gaston.

Miss Laverty is the daughter of Mr. and Mrs. John F. Laverty of Walnut Creek. A graduate of Las Lomas High School, she has been employed by the City of Walnut Creek as secretary to the Planning Director since October, 1958.

Her fiancé, son of Mr. and Mrs. Kenneth E. Gaston of Walnut Creek is a graduate of Las Lomas High School and is now stationed at Carleton, Michigan with the U.S. Army.

After their wedding, the pair will motor to Monroe, Michigan, where they will live for the next year and a half. After the groom elect completes his army service, the couple will live in the Bay Area.

## Spring Dance Will Be June 4 At Castlewood

The Women's Auxiliary of the American Society of Mechanical Engineers and the San Francisco Section of the American Society of Mechanical Engineers will entertain their members at a late spring dance June 4.

The dinner dance will be held at Castlewood Country Club, 7 p.m. to 1 a.m.

The music room, scene of the gala occasion, will be decorated with a profusion of spring flowers.

Mrs. John Kemper of Orinda, new vice-chairman, will be in charge of hostesses for the evening.

## Re-elect... JUDGE RAHN

## Cheryl Bouick Married to James Boodeil

Radiant in a gown which she designed and made herself, Cheryl Elbridge Bouick became the bride of James Pow-ers Boodeil in a mid-afternoon ceremony April 9 in Northbrae Community Church.

Cheryl is the daughter of Mr. and Mrs. William McLeod Bouick of Walnut Creek. Her gown was of delustered candlelight satin in princess style sheath, with cathedral train formed by a back overskirt pleated into the Basque waist.

A small pearl crown held her illusion veil, which was edged with wide rosepoint lace and she carried butterfly roses, stephanotis and phalaenopsis orchids.

Dr. J. Raymond Cope of Berkeley's Unitarian Church officiated at the ceremony. The bride was given in marriage by her father. She plans to resume her studies at the University of California, where she is affiliated with Alpha Chi Omega.

The groom is the son of Mr. and Mrs. Charles J. Boodeil of Hillsborough. He is a graduate of the University of California and a member of Phi Delta Theta.

The bridal attendants, gowned in original designs by the bride, wore princess style sheath dresses with pleated back fullness, made of delustered satin in Dior blue for the maid of honor and pale Sistine blue for the others.

Helen O'Neil, a University of California student was the maid of honor and the bridesmaids were Carroll Konkin, an Alpha Chi Omega sorority sister of the bride; Her cousin, Virginia Young of Sacramento and Sandi Prada of Walnut Creek.

Alon Hathaway of Seattle, a Phi Delta fraternity brother of the groom was best man. The ushers were James Hornberger, George Saywell and Gary Tooms.

A reception was given at the home of the bride's Aunt and Uncle, Mr. and Mrs. Ernest C. Milliken at their Mountain Boulevard home.

## Lombardy Plans Cocktail Affair

All roads lead to Rome, especially for the summer Olympic games. The annual cocktail party of Lombardy branch, Children's Hospital of the East Bay, will reflect this trend, with invitations showing sign posts pointing toward the home of the Hugh MacIntyres, where the party will be held.

Mrs. Robert Field, general chairman, has arranged for a

trio of strolling musicians to play for dancing in the garden. Once again this year, arrangements have been made with the Orinda Country Club to park in their parking area and taxi service will be provided to the party. Mrs. Thomas Connolly, who is making arrangements for transportation, has announced that Olympic "athletes" will be driving in the shuttle service cross-country event.

Mrs. E. A. Law Jr. will be in charge of refreshments, with Lombardy hostesses participating in the serving of cocktails and canapés.

The date for this "Roman holiday" is June 11 from 5 to 8 p.m. Tickets at \$1 per couple may be obtained from Mrs. Wayne Bentley, CL 4-3640.

Patricia Darling To Marry Christmas Eve

Patricia (Patti) Joanne Darling, daughter of Mrs. Janette Audre Darling of Lafayette and the late William Darling, has chosen Christmas eve as her wedding date.

Patti will become the bride of Rudolf Peter Urban of Oakland. Their engagement was announced first at her mother's home, then in Corning, where her fiancé's mother, Mrs. Maria Davis, makes her home.

The bride elect is a graduate of Acalanes High School, where she was affiliated with the Eli-sians, a junior group of Mt. Diablo Therapy Center. Her fiancé, who came from Wiesbaden, Germany, two and a half years ago, was graduated from commercial art school in Wiesbaden and is now employed in Oakland as a commercial artist.

Friday, May 27, 1960

CHI MEGA Alumnae gathered recently at the William Sparling home in Orinda to honor this year's graduates at a swim party. Among the alumnae attending the affair, were from left, the Mesdames Alan G. Hughes, William H. Sparling, David Solberg and George Coad.

## Kent Grigg Wins Phi Kappa Tau Scholarship

The first scholarships awarded by the Phi Kappa Tau Mothers Club of the University of California were presented at the annual Family Dinner this month by Mrs. P. Everts, chairman of the Scholarship Committee.

Kent Grigg, son of Mr. and Mrs. Frank Garcia of Lafayette, received two scholarships,

as outstanding student and active member for both the spring and fall semesters of 1959. Other winners were Ray Vingo and Bob Albright, also of Lafayette, for the fall semester.

Mrs. Everts announced that the Mothers Club raised the money but turned over the choosing of the boys to a scholarship committee composed of Messrs. Olie White, Lloyd Canton, Al Airolidi, Lee Preston and Bob Clark, all of Berkeley. House officers turned over to this committee the names of standing boys, actives and pledges, in the house and the University turned in the name of the top 10 in scholarship.

## Tri Deltas to Install Officers On Wednesday

Members of Delta Delta Delta Mothers Club will meet Wednesday at 11 a.m. for the last time this year.

The group will gather at the home of Mrs. R. O. Cole of Ross. The outgoing president, Mrs. Russell Rees, will present a check to the East Bay Activity Center for Emotionally Disturbed Children at this time.

Officers to be installed at this meeting are the Mesdames Laurence L. Moore of Lafayette, president; Roger Kane, first vice president; N. L. McCracken, second vice president; Andre J. Pechoultes, third vice president; H. J. Kjargaard, treasurer; A. C. Meyer, recording secretary; and R. L. Torigino, corresponding secretary.

## Chi Omega Alumnae Have Swim Party

The annual swim and dinner party held by the Chi Omega alumnae to honor their chapter's graduating seniors of the University of California was held at the Orinda home of Mrs. William Sparling on Monday.

Following the dinner Mu alumnae Elizabeth Denton Blake, A.I.D., of Lafayette, spoke on "How to Decorate on a Budget."

Mrs. David Folberg of Orinda served as hostess assisted by Mesdames Curtis Ross, Sheldon Bowers and J. L. Davidson.

Seniors to be honored include Jane Blair, Liz Dobbins, Barbara Ginter, Marcia Manning, Katy Mulvany, Wendy Palmer, Helen Brewer, Meri Campbell, Nancy Norton, Sue Skelly, Susan Forbes, Suzanne Legallet, Janet McGinley, Roberta Rahlfs and Charlotte Signor-elli.

## Danville Juniors Plan Swim Party

Swimming will be enjoyed by members of the Danville Junior Women's Club following the installation ceremony planned for the new officers on Thursday.

The informal luncheon around the pool, followed by an hour of swimming, will be held at the home of Mrs. John Becker, 42 La Gonda Court, Danville, according to Mrs. Nicholas Merri-man, chairman.

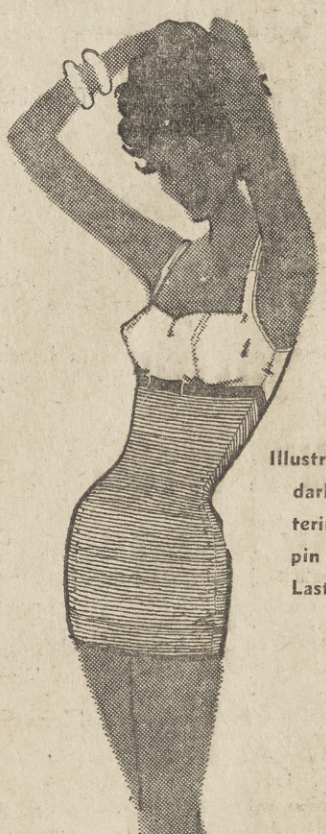

New officers installed will include the Mesdames Raymond L. Neff, president; Nat Davis, vice-president; N. Merriman, secretary; William J. Brown, corresponding secretary; A. E. Villaire Jr., treasurer; and Kenneth Worley, auditor. Mrs. Bruce Marhenke, president of the club this past year, will serve as parliamentarian.

## Welfare Council To Hear McMillen, Elect Officers

"Planning—How and Where?" the Bay Area Welfare Planning Community Welfare Council will be the topic for Dr. Wayne McMillen, executive director of the Central

Dr. McMillen will discuss plans for health and welfare services in the Bay Area.

He will also outline projects under way in the recently established five-county Bay Area Wel-

fare Planning Federation supported by United Bay Area Crusade funds and also the possibility of implementing the local council's program.

McMILLEN received his PhD

in social work at the University of Chicago. He taught at the University of Chicago and Tulane, and was an exchange professor at the University of California in Berkeley.

He recently completed a 30-month long mental health survey for the City of Los Angeles, is a member of the board of editors of Social Science Review, and author of many books including

"Community Organization for Social Work." Election of officers and an annual report by President Superior Court Judge Wakefield Taylor will be part of the luncheon event.

## Women Voters Hear State President

Mrs. Laurence E. Spear, president of the League of Women Voters of California, spoke at a luncheon of the League of Women Voters of Concord-Diablo Valley,

May 17, at the Gold Nugget, Concord. Mrs. Spear emphasized the league's responsibility to provide unbiased, nonpartisan informa-

tion to the public on governmental issues and to communicate the league's position on issues to citizens and governmental officials

after careful study by all members.

Mrs. C. E. Funk is local league president. The luncheon was arranged by Mrs. Sam Harris, league unit organizer. Mrs. Robert Vermilya, of San

Francisco, northern California

vice president, was a guest of honor. The luncheon followed a board meeting at the home of Mrs. Claire Becker, of Concord. The meeting was attended by

Mesdames C. E. Funk, S. A. Anderson, M. K. Hearne, David Mox, J. M. Adle, William Ross, Sam Harris, R. A. Feichtmeir, J. C. Starkie, R. E. Fleetham, and L. L. Baldwin.

**FORMER LAS** Lomas High School weight star Dave Weill has done himself proud as a member of Stanford University's freshman track team. He is one of the top three individuals on the squad and stands as the seventh highest point-getter for the Papooses. Weill, who will compete in the California Relays at Modesto tomorrow, has thrown the discus 156'6 1/2" this year, and is expected to close in on the year-old frosh record of 164-1 1/2 by season's end. Weill also puts the shot at Stanford.

## Hardtop Highlights....

### Pair of Records Broken At Speedway Saturday

By JEAN MCGUIRE

San Pablo's Nelson Snow made a clean sweep of all his events Saturday night at Contra Costa Speedway in Pacheco. Not satisfied with winning every race he was in, he set new track records in two of them.

With a time of 1:05.21 in the trophy dash, he broke the standing time of 1:05.51 held by Pee Wee Waybright of Novato. His semi main win goes into the record books to the tune of 4:10.43 for the 15 laps.

We understand he received a month's free rent as a reward from his landlord. There is a true racing fan!

Leroy Geving of Petaluma took top honors for the third time year. (This is including the main event win at Santa Rosa two weeks ago.) As you know, all drivers must race the Santa Rosa circuit on Sunday nights to keep up their points.

Second in the main was Gene Dudley of Napa, followed by Ray Travels, San Pablo, Steve Mentch, Oakland, Don Moreda, Petaluma, Hugh Purdy, Santa Rosa, Jack Clayton, Pleasant Hill, Ted Montague, Hayward, Ray Kelsey, Santa Rosa and Chet Thomson, San Lorenzo.

In the semi, the flag was taken as follows, Nelson Snow, Bill Deschamps, Lakeport; Ted Gratiex, Napa; Jack Huddleston, Concord; Keith Willis, Hayward and Pee Wee Waybright.

The final heat was a tight battle which ended finally with Chet Thomson, Ted Gratiex and Jack Clayton coming in one, two and three. Jack Huddleston took fourth spot in this event.

Bob Filippi of Mill Valley took the fourth heat, followed by Wally Baker, Larry Damitz of Vallejo, Oakland's Steve Mentch and Leroy Geving.

Top man in the third heat was Keith Willis, just beating Chet Thomson and Jack Clayton to the checker. Running fourth and fifth were George Tietjen of Oakland and Hugh Purdy.

The second heat was taken by Pee Wee Waybright. Second was Jack Huddleston and third was Alameda's Lew Lawson.

Following Nelson Snow in the slowest first heat, were Buzz Castagnetto, Richmond and Bill Deschamps.

The best local showing of the evening was made by Pleasant Hill Mayor Jack Clayton in his "Solid Gold Cadillac" number 23. Clayton's transmission went out during the main, and he had to work up through the pack twice due to spin outs, but he still managed to capture seventh spot.

Sorry to see Gil Richardson's "Little Red Riding Rod" number 29 on the sick list last week. Gil was flipped two weeks ago, suffering minor damage to himself and extensive injuries to his car. Hope to see him back soon.

Attention... anyone interested in taking part in the Destruction Derby. It will be held June 22. Line up a team of four cars and drivers and contact Frank Blado for an entry blank. Participants must be over 18 years of age. Prizes and interest run high in these events so get your name in promptly.

Tomorrow night's card will carry a 50-lap pre-Memorial Day race. An early arrival will insure seeing the big show. Hundreds of people have had to be turned away in recent weeks as the stadium packs early.

Time trials start at 7:15, with the first race at 8:15. Admission prices, Adults—\$1.50, juniors—90 cents, children 50 cents.

**New way to buy tires and batteries without cash!**

### Disabled Vets Can Qualify for Free Licenses

Contra Costa County Veterans Service Officer W. R. Smaker today listed official information from the State Department of Fish and Game on free licenses and tags for disabled veterans.

To qualify for free licenses and tags, the veteran must:

1—Have served during wartime;  
2—Have been honorably discharged;

3—Have a service-connected disability of 70 per cent or more.

TO RECEIVE the free licenses and tags, the veteran must present:

1—A certificate from the Federal Veterans Administration, dated within the last year, stating that the disability is service-connected and 70 per cent or more. If the certificate states that the veteran was honorably discharged and served during wartime, item 2 need not be submitted.

The law does not permit Fish and Game to accept a certificate from a branch of the armed forces; it must be from the VA. The certificate will be retained by Fish and Game, and cannot be returned to the veteran.

2—PROOF OF an honorable discharge from the service. This will be returned.

Licenses and tags issued to veterans are hunting licenses, request after June 15; deer tags, request after June 15; pheasant tags, request after October 15; and sport fishing licenses, valid for all sport fishing, request after December 15.

Address all requests for licenses and tags to License Section, Department of Fish and Game, 722 Capitol Avenue, Sacramento 14, California. The following information is necessary: name, address, city, date of birth, height, color of eyes, color of hair, weight and sex.

### Golf Winners Are Named at Orinda

The Orinda Country Club has announced the following scores from last Thursday's final round, Ladies' Handicap Tournament:

First net: Ann Graffis—92-27-65; second net: Betty Bergen—85-19-66; consolation winner: Kay Steele—106-32-74.

Winner first flight: Mrs. John Bannister defeated Mrs. John Tiedeman 4-3; second flight: Mrs. Clyde Toland defeated Mrs. R. C. Moe 1 up; third flight: Mrs. Alex Konkin defeated Mrs. Eugene Payne 20th.

Fourth flight: Mrs. Blake Calder defeated Mrs. J. Nickels 3-2; fifth flight: Mrs. Ed Maloney defeated Mrs. Conrad Shaffie 4-3; sixth flight: Mrs. Frank Fee defeated Mrs. Kenneth St. Clair 3-2.

### Dons Trim San Ramon In Protested Contest

The Acalanes Dons won the apparent clincher last Thursday when they defeated the San Ramon Wolves in a ball game played at Danville, only to have the issue clouded when the San Ramon coach entered a protest on a play in the bottom of the seventh.

The San Ramon nine took a 3-0 lead in the bottom of the fourth when two Acalanes errors put Wayne Forsell and Glen Miller on first and second.

A BUNT by Roger Ide found him out pitcher to first but the runners advanced on the play and it paid off when both scored as Kent Evans hit a double down the right field foul line. Evans took third on the throw from the outfield to home and scored on Bill Ayers' sacrifice bunt.

The Dons got back in the ball game in the fifth when they tied it up with three runs of their own.

Acalanes started the parade when John Paul Jones singled only to be tossed out at second when Denny Toll rapped a ground ball to third.

Lou Cosso and Jim Holden hit successive singles, with Toll scoring. Don Nelson ripped a double down the left field foul line to score Cosso and Holden.

ACALANES GOT its final run in the top of the seventh as Nelson was safe at first on an error. Bob Gillham next at bat laid down what was meant to be a

sacrifice bunt and when the throw to first went wild into right field Nelson scored with Gillham going to third.

Two were down and when Lou Pejovich popped up on a bunt attempt Gillham was doubled off third to end the Dons' time at bat.

In the bottom of the seventh Tom Strain took over on the mound for Denny Toll. His first pitch was a sinking curve to Don Collar who ducked at the plate.

The umpire called "strike one" and then came the protest as Coach Mike O'Gorman claimed the ball hit Collar's helmet and then his bat.

The umpire held to his call and when play was resumed Collar went down on the next two pitches. The next two batters flew out to center and right to end the game.

Acalanes wound up with four hits to the losers seven and had five errors to San Ramon's two.

BOB GILLHAM made two outstanding plays in the field for the Dons, going deep in center to take a long drive off the bat of Casey Evans in the second frame and in the same inning robbing Barry Madrid of what looked like a sure single when he made a forward somersault catch and came up with the ball to double Bill Ayers off second.

Batteries: San Ramon - Lang, Collar (5) and Madrid; Acalanes - Toll, Strain (7) and Cosso.

### Sea Devils Will Hear Marv Levy

The Contra Costa Sea Devils, alumni of the University of California who support the Bears, will hear Coach Marv Levy, Thursday at the Happy Valley Inn, Lafayette.

Levy will talk about the new winged-T formation and give a rundown on spring practices, according to Lee Umphred, program chairman. Levy's staff will also attend.

Reservations may be made by contacting Bill Rhea. Cocktails will be at 7 p.m., and steak dinner at 8. The dinner will be \$3.50 per person, 75¢ per couple.

Bob Wiscarver is president of the Sea Devils.

### Charles Trippe Wins Sectional Tennis Crown

Charles Trippe, an Acalanes exchange student by way of England, wound up as the North Coast singles tennis champion when he handily won all three of his matches in the meet held at Stanford Saturday.

He is the first Acalanes student to win the top honors in a meet that found players all the way from Eureka in the north to Monterey in the south entered.

He defeated Bill Deveria of San Jose 6-2, 6-0, Nick Hoogs of Berkeley 6-2, 7-5, and Bob Cugar of Campbell 6-4, 6-2 to win the North Coast title.

In addition to numerous other wins he earlier in the year bested Bob Abtzel of Lowell who won the San Francisco city title this year.

### Ram Baseballers Upset Antioch

The Pleasant Hill Rams made their home game with Antioch last Thursday a winning one when they turned nine hits into 11 runs.

Bob Juarez, on the hill for the winners, gave up but two hits, while striking out 10 and yielding two runs.

The Rams insured the win in the opening frame when they scored a big six runs and made it 9-0 with three more in the second frame. Antioch got one run in the fourth and another in the seventh while the Rams posted two insurance runs in the sixth.

Dave Shepard paced the Ram hitters with a triple and a pair of singles, while Juarez helped his cause at the plate with a pair of singles.

Batteries: Antioch — Cook-Young (2) and Luis; Pleasant Hill — Juarez and Howerton.

### Hole-in-1 Scored At Diablo Course

Dick Drake scored a genuine ace at the Diablo Country Club this week.

The Diablo club member used a three iron to sink the tee shot on the par 3, 185-yard sixth hole at the course.

Drake's hole-in-one was witnessed by the other members of his foursome, Bruce Fratis, Fred Udall and Bob Armstrong.

### Top Swimmers Will Compete For Two Days

The Las Lomas High School pool in Walnut Creek will be the scene of action as far as local swim fans are concerned this weekend when an Amateur Athletic Union swimming meet will be held.

The meet, sponsored by the Berkeley YMCA, will feature senior events for men and women while on Sunday the age groups will take the spotlight.

MANY STANDOUT swimmers are entered in the meet, many of whom are record-holders in their own right.

The Berkeley YMCA will have a good representative group of their own in Carolyn Schuler, who was second in the nationals in the 100-yard butterfly, along with Donna deVarona of Lafayette, who was second in the 400-yard individual medley. Suzie Barkley is another who rates highly nationally.

Trials each day start at 9 a.m. with finals under way at 1:30 p.m.

EVENTS to be contested are the 100-yard freestyle, 200-yard breast stroke, 100-yard butterfly, 440-yard freestyle, 100-yard backstroke and 400-yard freestyle relay.

Sunday will find age groups 7 and 8, 10 and under, 11 and 12, 13 and 14, and 15 and 16 competing in all strokes with 100 yards the tops in distance. All strokes will be contested.

### Records Expected To Fall During Vacaville Race

Track records will topple on the nation's only mile and a quarter paved speedway, when the fastest big race cars in the west qualify Decoration Day morning for one of the 33 starting spots in the 100-mile feature race at the Vaca Valley Raceway on Monday.

This is the second annual holiday classic at the huge race plant five miles west of Vacaville, and was renamed the Charles Curry Memorial in memory of the popular promoter who died recently.

Time trials start at noon with the trophy dash getting the starter's flag at 3 p.m. at the raceway, located on Highway 40. Fans will find free parking for 5000 cars.

For the early birds, a broadcast of the Indianapolis 500-mile race will be heard over the huge Vaca Valley public address system.

### Lafayette Men on Top Area Masonic Bowling Squad

Three Lafayette men are members of the Acorn No. 1 bowling team which won the Eastbay Masonic Bowling Association championship last week.

They are Ernie Lafrenz, Jack Wilson and Bill Glogovac.

The team, which won the perpetual trophy in last week's trophies, will compete in the Tournament of Champions in the California State Masonic championships in San Francisco next month.

In the state finals, the East Bay team will vie against the Los Angeles and San Francisco winners.

**ORINDA'S MIKE** Sullivan proudly displays two of the trophies he has won as one of the state's outstanding young gymnasts. Mike, a nine-year-old Del Rey School student, won the overall first place in the recent State YMCA gymnastics meet held in Pomona. Mike swept to his title by garnering perfect scores in five events. He competes as a member of the Berkeley YMCA team.

## Sideline Slants

### Two Former Knights Make Good on Menlo JC Campus

By ERWIN MATTSOON

Reports coming in show that a pair of Las Lomas grads have done better than all right with the San Mateo Junior College baseball team.

Don Hopkins was their ace hurler while Clark Ransome did duty at first base. Both did exceptionally well in the stick department as both hit over .350. Dame Rumor has it that both are headed for Cal, which, if true, should bring a smile to the face of Coach George Wolfman.

Jack Carhart, assistant football coach at Diablo Valley College, reports a bright grid picture for next fall.

Thirty-five candidates already on campus have signed up as have better than 60 incoming prep grads.

He also noted that any additional candidates would be most welcome.

Things I can never understand: Why George DeKlotz, genial Las Lomas athletic director and football coach, was never picked as a coach of one of the prep all-star games.

George has a long and, what's more important, a successful coaching record. He stepped down as head man at Las Lomas to take over the job as assistant to Duane Louis.

His teams at Las Lomas have always been well drilled and of top-flight caliber.

Fundamentally sound, his clubs have had an outstanding win-loss record. His coaching experience has been extensive on the college level as well as in the prep ranks.

All too often the selection of coaches for all star games is one of a political nature and depends on where the most pressure can be extended.

De Klotz is tall timber and top timber. In not selecting him the authorities that he pulled a real boot, and chances are, came up with a loser when they could have had a winner.

Word has also filtered through that Jean Ridley, former Acalanes coach, has received an appointment as head of the San Jose High School physical education department.

### Rams Finish Fourth in Subsection Track Meet

The North Coast Subsection meet was held at Richmond High last Friday and the competition as expected was stiff.

Those who qualified through the DVAL meets held two weeks ago took part and a good representative group qualified for the north section finals to be held at Edwards Field at the University of California tomorrow.

BERKELEY HIGH as expected won the varsity division with 42 points, while El Cerrito and Richmond tied for second with 23.

Local teams placed as follows: Pleasant Hill—fourth with 20; Alhambra—eighth with 13; Miramonte ninth with 11; Mt. Diablo 10th with 10½; Acalanes 12th with nine; Albany tied for 14th with six; Las Lomas 17th with four; San Ramon 18th with three while Livermore, Piedmont and Pittsburg tied for 19th with two points.

Clayton Valley had a total of six places as Ron Vick was second in the 880; Jim McGrath third in the 880; Scott Essin fifth in the 220; Chuck Snekul fourth in the 440; Mike Brunelle tied for third in the pole vault and Robert Cooper placed fourth in the mile.

THE PLEASANT HILL Rams had a champion in Tom Webb who won the 100-yard dash with a 9.8 race and added points as he copped second in the 220.

Teammate Roger Foulk won fourth place ribbons in both the shot and discus. Webb and Foulk both ran laps on the third place relay team.

Acalanes got their points as their relay team placed fourth after Chris Rinne garnered a third in the 220 and Bruce Dodge rated a tie for second in the 220.

Miramonte points came when Jeff Neighbor toured the 880 for a first with a 1:59.9 clocking. Milt Howe took fourth place while Bill Caldwell was placed in the fifth spot in the 100.

### Bill Locatelli, DVC Nine Star, Named to Squad

One Diablo Valley College baseball star has been named to the Coast Conference all-star first team, and four of his teammates have received all-star mention, according to a league announcement made late this week.

Bill Locatelli, Viking first baseman, tied for the first team first base post with Bill Munson of Foothill. Other Vikings who received recognition are Bill Chappell, second team outfield, and pitcher Lee Grichuhin, second baseman Glen Kinlon and outfielder Bob Pimentel, all honorable mention.

THE ALL-STAR selections were made by the conference coaches and athletic directors. In addition, two former Las Lomas baseball players now attending Menlo Junior College received all-star recognition in the conference.

Don Hopkins, Menlo's top pitcher, finished in a three-way tie for the first team pitching post. Ironically, one of the other two who tied for the position was, Don's teammate, Stan Roden.

THE OTHER former Knight star, Clark Ransome, placed in the second team outfield.

Diablo Valley College, meanwhile is throwing the spotlight on sports tonight with the annual all-sports banquet, sponsored and hosted by the Associated Students to honor the year's athletes.

The top Viking athlete in each sport will be announced by the various head coaches during the banquet. The names are kept secret until the time of the event.

THE BANQUET, being held in the West Room, is also designed to give the college sportsmen recognition for their efforts. Chairman of the event is Dee Cravens, DVC commissioner of intercollegiate athletics.

On hand, along with all the athletes, current coaches and the press, will be Charlie Karp, new Viking head basketball coach, who will have his first opportunity to meet with the school's athletes.

### Highway Users Tax for County Near \$2 Million

Contra Costa County will receive \$1,834,100, its apportionment from the Highway Users Tax Fund collected by the State of California for 1960-61, it was announced.

California's 58 counties will receive a total of \$88,040,200, and 19 of the counties, including Contra Costa will receive more than \$1 million.

Los Angeles County will alone receive \$28 millions.

### 4-H Club Gives Local Awards

Several area boys and girls won gold seals in the 4-H Club eight-county regional demonstration day, held at Clayton High School.

They are Judy Phelps and Gail Davidson of Lafayette, home economics team; Regina Hesse of Pleasant Hill, clothing; Thom Grizter of Lafayette, food preparation.

### Auditor Sought For County Work

Contra Costa County Civil Service Commission announced it is accepting applications for the position of auditor grade II, salary \$556 to \$676 per month.

## -Sun Sports-

Orinda Sun Friday, May 27, 1960 Page 15

A RETURN to the past was experienced Saturday by Bob Brooks, Miramonte head football coach, who performed ably for the Cal alumni in their annual game against the varsity at Berkeley's Memorial Stadium. Brooks, who graduated from Cal in 1953, saw action as an offensive and defensive halfback in a backfield which includes such greats as Jackie Jensen, Joe Kapp and John Olszewski.

### Miramonte Coach Wears Pads, Cleats for a Day

Bob Brooks, head football coach at Miramonte High School, played as a halfback in Saturday's game between the Cal varsity and the alumni.

The game, played in the Memorial Stadium, found Bob doing yeoman service as he played a good part of the game both ways.

The varsity defeated the grads in the closing quarter after leading in the early stages.

BOB WAS a star back on the Cal team not too many years back and keeps himself in fine fettle

### Boat Safety Hints Told For Memorial Day Use

Since many boat enthusiasts will have their craft in the water for the first time this season on Memorial Day, E. W. Kitzrow, Farmers Insurance Group Safety Foundation official, offers the following 10 basic safety rules for all boat owners:

1. Have an expert check your craft and motor.
2. Learn the nautical rules of the road and live up to them.
3. Get up to date on Coast Guard regulations.
4. Don't overload your boat.
5. IF YOUR BOAT DOES capsize and float, cling to it. You have a better chance to survive than if you try to swim ashore.
6. Equip your small boat with the new plastic buoyant materials so that in case it capsizes, it will stay afloat.
7. Check weather indications and don't go out in your boat if a storm is evident. If in doubt, ask your local weather station, coast guard, or airport.
8. WHEN ENTERING congested areas, keep speed at posted minimum.
9. Check your children's boat handling habits yourself to make sure they are correct.
10. If you fall or get thrown into the water while fully clothed, get rid of heavy boots, shoes or clothing that may weight you down.

### Washout Gives Dons Foothill Baseball Crown

The rain really came Tuesday and, as things turned out, all baseball games were postponed and one of them gave the Acalanes Dons the championship.

Piedmont High, which didn't win a league game and last week had a no-hit no-run thrown at them by Las Lomas, gave up the ghost and forfeited to Acalanes.

THE WIN automatically gave the Dons the pennant with a 10-2 record with Las Lomas second, boasting an 8-4 mark. Miramonte was third at 6-5 as of Tuesday, while San Ramon was next at 5-6 and Piedmont last with an 0-12.

Miramonte and San Ramon were tentatively scheduled for their game yesterday, weather permitting.

Acalanes and San Ramon had a protested game Thursday of last week and the Dons agreed to a replay next Tuesday although as things now stand the Dons are the champs for 1960 regardless of the final outcome.

IN THE EASTBAY Division, Alhambra wound up as chairman while Clayton Valley looks to be the winner with Mt. Diablo in the runner-up spot.

Pacifica, Pittsburg, Antioch and Pleasant Hill follow in that order.

### Remy Throws Perfect Game At Piedmont

Pitcher Bill Remy threw hard and accurate in the game with the Piedmont Highlanders last Thursday as he threw a perfect game to win a 8-0 shutout without allowing a hit, walking or hitting a single man.

In notching the win Remy struck out seven and had only three balls hit out of the infield.

The Las Lomas Knights played errorless ball while Piedmont had two errors.

The Knights collected five hits while getting one run in the first, two in each of the second, third and fourth innings and one in the seventh.

Batteries: Las Lomas - Remy and Stephenson; Piedmont - Ross, Shaw (5) and Wood.

### Lafayette, Orinda Teams Announce Preparations

Central county teenage baseballers will join 4000 other young Californians the weekend of June 4 and 5 as another season of American Legion Junior baseball gets under way throughout the state.

Lafayette and Orinda Legion teams have already announced their plans for the new season, and announcements concerning the Walnut Creek entry are expected before the opener next Saturday.

Orinda will host the Walnut Creek nine at Miramonte High School for the opening game, and the Orindans will travel to Lafayette for the Sunday contest next weekend.

THE LAFAYETTE Legion team is sponsored by the Lafayette Youth Association and the Signal One-Stop Service, and is in its 15th season of competition. Richard "Red" Jones is the head coach, with Arthur "Red" Gillham and Jerry Coakley as assistants.

The Lafayette team will play a number of practice games in addition to regular league competition. Members of the team definitely announced to date are catchers Dave deVarona and Steve Kosack.

Real strength is expected to lie in the pitching ranks, with Denny Toll, Tom Strain, John Paul Jones and Brian Allen on top. Jones, Toll and Strain will double at first base and in the outfield.

IN OTHER positions, Mike Daniels is expected to hold forth at third base, while Bob Gillham and Stew Fox will handle the short-stop and outfield posts. Greg Snyder is another player listed for infield duty in a utility capacity, while Brian Greenwood and Pete Schneider probably will be the other outfielders.

All home games for the Lafayette nine will be played at the Acalanes High School field.

The Orinda team, in its second year of operation, has scheduled tryouts for 3:30 p.m. today, Tuesday, Wednesday, and Thursday on the home field at Miramonte. All boys 14 through 17 years of age are eligible.

THE TEAM is coached by Matador coaches Don Foster, Herb Gray and George Zurich, and is sponsored by the following Orinda businesses:

The Shoe Tree, Ogden's, Black's Market, Orinda Hardware, Village Shoe Shop, Country Club Barber Shop, Contra Meat Jobbers, Inc., Lincoln Enterprises, Inc., Casa Orinda, Sprouse Reitz, Central Valley National Bank, Orinda Store, Sports Unlimited, Texdahl and Johnson, Orinda Motors, Troy's Associated Station, Dick McIntyre Union Service, Orinda Furniture and Interiors, Moraga Valley Nursery and East Bay Mortgage Service.

Approximately 214 teams are expected to compete in Legion play in California before a state champion is selected to take part in regional and national play.

Leaders in the two-day event were:

Plus 23—Ward-Gray.  
Plus 18—Bob Higgenbotham-Rupe Andrews.  
Plus 16—Ray O'Flynn-Bob Bell.  
Plus 15—Dave Pimentel-Muilt Bager.

Plus 14—Bill Brennan-Walt Popen; Jack Reuter-Jim Zwingle.  
Plus 13—Joe Boule-Jock Van Bokkelen; John Cerrudo-Phil Kane; Steve Largamarsino-Frank Ivaldi.

## Real Estate Viewpoints

# With Houses, Too, It's Price That Finally Tells

By BILL HAYWARD

PRICE ISN'T EVERYTHING . . . so goes the old story. We hear the comment . . . "I CAN GET IT WHOLESALING" . . . or "I BUY DIRECT" . . . or "WHY SHOULD I BUY FROM BILL WHEN I CAN GET IT CHEAPER FROM HARRY" . . . actually we know that we in most cases get exactly what we pay for.

This is especially true in the field of real estate. Take last year for instance . . . over 3500 properties were listed on the Contra Costa Multiple Listing Service. Of those listings over 1300 were sold. Just a bit over 37 per cent of the houses listed were sold. The big question is . . . WHAT HAPPENS TO THE UNSOLD HOUSES?

Well lots of things . . . they continue to be offered FOR SALE . . . I might add that very few homes remain on the market for over a year unsold unless there is something very wrong with price, condition, financing or location . . . Houses all will finally sell somehow to someone, somewhere. The one big factor that stands in the way of selling the average home today is PRICE . . . and price alone.

I AM SPEAKING of a house properly priced and properly merchandised . . . You could place a "give-away" price upon a certain property and not tell any one about it and it would naturally just sit there and not sell.

Any home that is to be sold must be promoted into the Real Estate market and be placed in a position and condition to sell . . . Here is where the average "OWNER" attempting to sell his or her own home finds it so very difficult to attract buyers without the professional know-how of a REALTOR.

Going back to the 63 per cent . . . the UNSOLD listings . . . why did they not sell. I say that the main reason contributing to the no-sale result is the common factor . . . PRICE . . . experience tells us this . . . shelter plain or fancy will sell for what someone will be willing to pay for it.

BUT, OVER the years price levels and property values are established by the laws of supply and demand, construction costs and by the actual value of today's "DOLLAR" . . . When we are asked to appraise a given house with the idea of placing the property on the market FOR SALE, we have all of the history files on a given area or neighborhood. These history files tell us the entire story on recent sales of similar homes in like locations.

These comparable sales are what really sets "Market Value" or what we might call a FAIR SELLING PRICE ON THE MARKET AS IT EXISTS TODAY . . . Don't ever say this information isn't of value in selling real estate on any market.

## Welfare Council Annual Luncheon Will Be Thursday

Election of officers and board members, a talk on community welfare planning and an annual report on the Central Community Welfare Council, will be featured Thursday, at 12:15 p.m. in Concord Inn.

The talk on planning in the fields of health and welfare services will be given by Wayne McMillen, executive of the Bay Area Welfare Planning Federation.

The business of the annual meeting will be conducted by Judge Wakefield Taylor, president.

Nominations for new officers and board members for the 1960-61 term will be announced by Nominating Committee Chairman Lloyd Frost of Martinez.

Other members of the committee are Mesdames L. T. Cantrell of Pleasant Hill, John C. Taylor, Danville, Lee Kidwell, Walnut Creek, and Arthur Ross of Lafayette.

Members of the Annual Meeting Committee are Mrs. John G. Kelly of Walnut Creek, chairman, and Mrs. R. C. Fehlman of Pleasant Hill, Misses Lillian Wurzel of Walnut Creek, Mary McGrath of Martinez, and Mr. Earl Den Beste of Martinez.

Reservations for the Concord Inn luncheon are being accepted at the Crusade-supported Central Community Welfare Council office, newly moved to 2030 North Main Street, Walnut Creek, or by calling Mrs. Anderson.

## Girl Scout Camp Changed With Buchwald Assist!

Miss Elsie Buchwald, of Lafayette, is director of the Diablo Valley Area Girl Scout Camp at Sierra Woodlands.

She holds a bachelor of arts degree from Hardin Simmons University of Abilene, Texas. She taught school for two years in New Mexico.

She then decided to leave the classroom and for two years was field director and day camp coordinator of San Joaquin Calaveras (now Delta Sierra) Girl Scout Council in Stockton.

WHEN MISS Buchwald came to Lafayette in 1956, the established camp at Sierra Woodlands operated on a three session program, serving 313 girls.

The following year another session was added.

In 1959 an additional unit was added, making a total of six units and the first year of the Counselor-in-Training program began. This summer the camp will be serving approximately 500 girls.

This campsite is situated in Sierra County, at the foot of the Sierra Buttes in the Tahoe National Forest, just above Sierra City, at a 6000 foot altitude.

ORIGINALLY there were 11½ acres, leased from the Forest Service, United States Department of Agriculture.

Recently another 7.5 acres has been approved by the Department, which now makes a site of 21.5 acres.

Many improvements have taken place, with the help of volunteer committees and interested work parties.

Each Counselor-in-Training unit now has its own equipment cabinet and rain shelter.

TO THE cooking area, a walk-in icebox, an upright deepfreeze unit, an additional stove.

And the food storage capacity has been increased.

The cook's cabin has been modernized and there has been an extensive enlargement of the drainage system. An addition is being built to the kitchen to make it half as large again and must be finished by the summer in order to serve the capacity.

The volunteer work parties are now signing up. Extra hands are invited to participate.

THE PROGRAM has also been

improved. It is more creative and more flexible. There are more outpost camping and adventurous hiking, and the older girls' program has been strengthened.

This camp serves Girl Scouts from age 10½ to 17 years or from grade six through 12.

The fee of \$46 has not been changed since 1957. The fee is on the following basis: \$17.50 food, \$12 transportation, \$10 counseling staff, \$4.25 program supplies and equipment, \$2.25 sanitation and housekeeping supplies and insurance.

The money earned from the sale of cookies and calendars go toward the site development, repairs and maintenance.

THROUGH service clubs and individuals, financial assistance has been made available through a Campership Fund.

For the past two years, Miss Buchwald has been advisor of the whole camp program, coordinator of both day camp and established camp, director of Established Camp.

## Cancer Folk Expect Gifts For 'Memorial'

Following a growing tradition of recent years, the Contra Costa County branch of the American Cancer Society is preparing for an upsurge in special gifts honoring loved ones and friends in connection with the observance of Memorial Day.

The custom of remembering loved ones with "Memorial Day Gifts for the Living" is becoming more widespread each year, said Miss Myrtle Morton, Memorial chairman of the branch.

Miss Morton said that the society's volunteers will be on duty this week to assure prompt processing of all such gifts, so that acknowledgements can be forwarded in time to reach their destinations in advance of Memorial Day.

## Adventure Found at YMCA Camp

Will your child have fun, friends and plenty of constructive activity during the long summer months? Guarantee him (or her) the busiest, happiest summer ever, by enrolling him now in one or more of the YMCA Day Camp sessions. Day Camp is held at Little Hills Ranch and Curry Creek Park, in three periods, June 27 through August 12.

EVERYBODY is welcome at Day Camp. Boys and girls of all faiths, races and backgrounds find happiness in group living experiences. John Price, camp executive states, "Camping provides a creative educational experience in sustained democratic group living in the out of doors under trained leadership."

"It utilizes the resources of the natural surroundings to contribute significantly to mental, physical, social and spiritual growth. Each camper is encouraged to strengthen his own faith and to respect the faith of others."

Day camp is held Monday through Friday from 8:30 a.m. to 3:30 p.m. Periods one and two will be held at Little Hills Ranch west of Danville, and period three at Curry Creek Park, east of Clayton.

TRANSPORTATION to and from day camp is provided by the YMCA. Campers are picked up and returned to specified central locations in their own communities. Youngsters bring their own lunch, but the camp supplies milk daily. All campers enjoy a rest period or quiet time after lunch.

"Let's Go Camping" are magic words to all youngsters. At day camp the magic dream becomes a reality. Nature trails, daily swimming instruction, campfires, games, contests, skits, pack every moment of camp life with fun to the nth degree.

Boys and girls are organized into camper groups from eight to ten, each headed by a qualified counselor. The YMCA considers experienced mature leadership the most important element in the camp program.

EACH program period is in charge of a well qualified director whose staff assistants and counselors are friendly young men and women chosen for their character, interest in youngsters, and ability in their chosen field.

How to register? Go to the YMCA office at 1537 Sunnyvale Avenue, Walnut Creek and fill in an application form, or call John Price, YE 4-9070 for further information.

Camping fees are low and no special equipment is needed. Your child will be ready for camp if he or she has the following: bathing suit, towel, jacket or sweater, daily lunch, plastic or rubber bag to carry things.

Early enrollment is desirable to assure your child a place in camp.

### Phi Beta Kappas Told

Mary J. Krummack, Lafayette, and Parker A. Maddux, Walnut Creek, will be among 200 students at the University of California, Berkeley, to be initiated into Phi Beta Kappa national honorary scholarship society during the Alpha of California Chapter spring ceremonies Monday.

Miss Krummack, is a senior studying political science and economics, and Maddux is a junior studying economics and philosophy.

CAMP GUALALA at Healdsburg, is the YMCA's camp away from home that offers a full summer program of outdoor living and camping experiences. For information about Camp Gualala, visit or phone John Price, camp executive, Mt. Diablo YMCA, 1537 Sunnyvale Avenue, Walnut Creek.

DAILY SWIMMING instruction is provided for all youngsters attending Day Camp. Swimming is permitted only under supervision of qualified YMCA and Red Cross water safety instructors and life guards. Children provide their own suits and towels.

### YMCA Camp Summer Schedule

Here are the schedules:  
8:30 a.m.—Ride to camp;  
9:30 a.m.—Gay morning program;  
10 a.m.—Swim instruction;  
11 a.m.—Hikes, games, skits, tumbling, nature and archery;  
12 p.m.—Lunch, rest period;  
1 p.m.—Crafts;  
2 p.m.—Recreational swim and free time;  
3:30 p.m.—Homeward bound.

### Nature Study Course Planned

Ferd S. Ruth, field naturalist for the National Audubon Society and author of a check list of the vertebrates of Contra Costa County, will instruct a nature study course June 20-July 28 if sufficient registration is obtained.

The course is described as particularly valuable to teachers, who may earn three units of credit.

The class will meet at Diablo Valley College, where Ruth is biology instructor, from 8 a.m. to noon on Monday, Tuesday and Wednesday and 9 a.m. to noon on Thursday. There will be seven field trips.

## Douglas Page to Present Lecture

"Arms Alone Will Lead to Disaster" will be the topic of a public lecture to be presented by Douglas Page at the Contra Costa Jewish Community Center, 3800 Mt. Diablo Boulevard, Lafayette, at 8 p.m. Wednesday.

Page, an attorney, is a Walnut Creek city councilman and is the Democratic candidate for the Sixth District U.S. Congressional seat.

The free lecture is sponsored by the adult education program of the center.

THE GREATEST consumption of EBMUD water during a 24-hour period occurred on July 10, 1959; 247,943,000 gallons.

## Needed: Foster Parents

By JEAN JERNIGAN

Two destitute little girls need a home in the East Bay area. They are destitute for two priceless gifts that money cannot buy, nor can the Children's Foster Care Services obtain for them without our help. They need love and the security of a happy home.

Children's Foster Care Services, which is a dual service agency with a program for foster home care and residential treatment for children, is looking for foster homes in this area.

Miss Violet Feinauer, case worker, described the children as "two difficult but pretty, intelligent and health Jewish girls, 11 and 12 years old. She said, "Although these children differ markedly in their behavior, for one is shy and quiet and the other very tempestuous, they have great trouble in making friends and in cooperating with adults."

"IN EACH instance the child has improved while living in a

residential treatment institution and now needs to be part of a family where she will have parents who can be both loving and firm and withstand manipulation. "Disturbing home conditions necessitate placement while both the girls and their parents work upon their problems. It is preferable that both youngsters be the only or the youngest child in her foster family."

Imaginative girls who enjoy making things, the younger of the two was described as having exceptional artistic ability. The elder child is an active Girl Scout.

THOSE WHO feel they can meet the challenge of being foster parents will find the experience a rewarding one. For the two little girls, a foster home now means a happier life, with the promise of a happy future as adults.

For more information phone or write Miss Violet Feinauer or Mrs. Sophia DeVries at Children's Foster Care Services, 4368 Lincoln Avenue, Oakland, AN 1-9962.

## Role of Clergy In Civil Disaster Is Advanced

A group of clergymen has established a Religious Affairs Service as part of Contra Costa County's Civil Defense and Disaster Organization.

The group included men who attended a religious affairs training conference at the western instructor training center in Alameda last February, and clergymen who have individually expressed an interest in establishing a working relationship between clergymen and the civil defense and disaster office.

A basic plan, proposed by the civil defense office, was discussed and tentatively approved.

Final approval of the plan was postponed until all clergymen of all faiths in the county have an opportunity to study and to offer suggestions as proposed will provide opportunity for participating clergymen to provide pastoral services to persons involved in a disaster.

The plan as proposed recognizes the role of a clergyman in a community, and for the first time provides the clergymen with an opportunity of performing their clergy services during a disaster.

The plan provides for pre-emergency assignment, thus assuring the maximum effective service of the clergymen of the county. As the first official step, a county-wide meeting of all clergymen and religious leaders will be held June 9 from 9 a.m. to 12 noon in the council chambers of the Martinez City Hall, 525 Henrietta Street.

Clergymen and church leaders are invited to attend.

DURING 1959 EBMUD installed 17 new water meters a day for new homes, businesses and industries in the East Bay.

## PG&E Men Honored for Years Service

Four Walnut Creek and one Lafayette resident were honored among 61 employees of the Pacific Gas and Electric Company last week at the Claremont Hotel.

They are H. R. Zilse of 45 Cora Court, 35 years; K. A. Williams of 290 Lakewood Road, 35 years; E. J. McDougall of 110 Arlene Lane, 30 years; and W. Hoben Thomas of 50 Oak Court, 30 years, all of Walnut Creek; also D. (Pete) Whipple of 3569 Eastview, Lafayette, 30 years.

## Kiwanians Hear

The Kiwanis club of San Ramon Valley held a dinner meeting Monday at the San Ramon Villa. Guest speaker was A. E. (Patty) Mozier, alias "Johnny Gardenseed" of Los Angeles.

## Institute of Banking Seats New Officers

The board of governors of the Mt. Diablo Chapter of the American Institute of Banking installed new officers at the Concord Inn May 7.

The new officers are President Tony Negretti, assistant manager of the Bank of California, Martinez; First Vice President John Sweeney of the Wells Fargo Bank-American Trust Company, Antioch; Second Vice President Mrs. Rose Carone of the Bank of America, Martinez; Secretary-Treasurer Mrs. June Woehrman of the Wells Fargo Bank - American Trust, Walnut Creek; Women's Committee Chairman Mrs. Marce Livesay of the Bank of America, Martinez.

New board members are Paul Russo, Bank of America, Concord; Jerry Sullivan and Carl Fank, Wells Fargo Bank-American Trust, Walnut Creek; Jerry Wells and Andy Desmaris, Crocker Anglo Bank, Walnut Creek; Miss Janet Emerson, Wells Fargo Bank-American Trust, Orinda.

Jim Buckley, Bank of America, Pleasant Hill; Kenneth Fowler, Wells Fargo Bank - American Trust, Antioch; Sherman Peters, Bank of California, Martinez; Florence Chericoni, Bank of America, Walnut Creek; Nick Compagno, Wells Fargo - American Trust, Martinez; Mrs. Penny Ellis, Bank of America, Pittsburg.

## Students Named For Travel

William R. Cline, 518 Miner Road, Orinda, and Margaret Ann Warner, 1733 Riviera Avenue, Walnut Creek, are among 79 Stanford University students chosen as the "founding class" of the university's branch campus in Tours, France.

The group will leave in September and take part in dedication ceremonies of the new study center. They will attend classes for six months, when they will be replaced by another group.

## Confirmation for 10 Scheduled at Center Tonight

Ten young central county residents will be honored tonight at 8:30 o'clock when the Contra Costa Jewish Community Center, 3800 Mt. Diablo Boulevard, Lafayette, holds its ceremony of confirmation.

This service marks the completion of the religious school education program and the acceptance of the teachings by those students who have undergone the training. The ceremony preceded the holiday of Shavuoth, traditionally regarded as the time when Moses gave the Ten Commandments.

Those who will be confirmed are Stephanie A. Ben-David, Linda Bernstein, Mark Kaplan, Dacida Lotzkar, Anita Manders, Alice Perlman, Patricia Sawyer, Toni Selznick, Louise Stolback and Shirley Zuckerman.

Bernard Kaplan, president of center, will convey the congratulations of the congregation after Rabbi David Robins confers the individual blessing upon each honoree.

Al Koch, chairman of the religious school committee, will present the certificates of confirmation, and Mrs. Percy Cohn, president of the League of Jewish Women, will distribute Bibles to each of the young people.

A RECEPTION honoring the members of the graduating class will be held following the services. The center mixed choir, under the direction of Cantor Henri Goldberg, will perform the musical portion of the service, assisted by Ellen Kropf at the organ and Harriet Daneiko, soprano soloist.

Rabbi Robins said Shavuoth memorial services will be held at the center at 8:30 p.m. Tuesday.

## Students Hold Spring Formal

The time was last Friday evening when the Rose Room of the Sheraton Palace Hotel in San Francisco. The event was Diablo Valley College's annual Spring Formal, May Magic.

Decked out in the latest stylish formal wear, some 250 DVC students and their guests danced the evening away to the musical sounds of Gordon Heches and his Orchestra.

The dance, under the sponsorship of the Associated Students, was under the chairmanship of many.

## Johnson In 'Exercise'

Army Cpl. Gerald W. Johnson, 21, son of Mrs. Elsie Johnson, 371 Clark Street, Grass Valley, recently participated with the Eighth Division's 26th Infantry in Operation Triple Threat, a special air mobility exercise in Germany.

## Schools Will Close

High schools and elementary colleges will end their semesters June 16.

In the Mt. Diablo Unified District area, the same date will be observed by elementary and intermediate schools, but high schools will not close until a day later.

San Ramon Valley Union High School and San Ramon Elementary School will close June 15, while schools in Alamo and Danville Union Districts will close June 17. Contra Costa and Diablo Valley

## Thomas Wolfe Story Coming

Now on a trans-continental tour, following a record-breaking run of 564 performances on Broadway, "Look Homeward, Angel," starring Miriam Hopkins, comes to the Alcazar Theater in San Francisco for an engagement of four weeks, beginning June 13.

Out of Thomas Wolfe's great first novel, Ketti Frings has fashioned a memorable play. Like the book, the play centers on the family of Eugene Gant and is virtually a chronicle of Wolfe's own boy-

## Realtors

Jack Tuggle, assistant director of the Federal Housing Authority, San Francisco, spoke Monday at the breakfast meeting of the Contra Costa Real Estate Board.

The breakfast meeting is held each Monday at 8:15 at the Walnut Creek Elks Club. The Multiple Listing Committee met Tuesday at the board's building on Locust Street.

## Art and Garden Show at Home Of Peter Howard

Mosaics rich in color and texture were displayed at the Valley Art Center's Annual Art and Garden Show yesterday at the Peter Howard home in Walnut Creek.

Guests strolling into the Howards' side garden found an excellent show of mosaics by advanced students, an added attraction to the professional exhibition of art in new materials arranged on the main terrace.

Modern mosaics draw inspiration from Byzantine murals, Pompeian floors and cathedral windows, and add their own original dimension in the use of new materials for greater textural interest.

Mrs. Peter Howard arranged the mosaic exhibit, and over-all direction was by Mrs. Parker Stack of Orinda, the Art Center's Exhibition chairman.

## County Permits Are 1/4 Million

Industrial buildings permits issued in Contra Costa County for April totaled \$250,000 compared to last year's April total of \$363,000.

Alameda County's total was \$405,000.

Big jump was San Mateo County's \$1,467,000, compared to its 1959 April total of \$416,000.

## Evening of Chamber Opera Next Weekend

The Music Department of Diablo Valley College will present an evening of Chamber Opera, Thursday, next Friday, and June 4.

The original work of Dr. J. Philip Dalby, "Coffee Break," is a satirical work which focuses a tongue in cheek glance on attitudes and customs which have come to be regarded as sacred in today's business world.

In feature roles are Sue Leach of Concord, Janet Seder of Walnut Creek, Robert Hunn of Concord, and Erich Johnson of Antioch.

The student director is Martin Benson of Walnut Creek.

The second feature of the evening will be the performance of Mozart's "The Impresario," satirizing opera character and customs of the late 1700s.

This will spotlight faculty members William Plumb and William Tarr, also Nice Snell, Mary MacNaughton and Mrs. Enid Young as members of the performing cast.

Johnson is the production coordinator and Carol Sasser is properties chairman.

The admission charge is 50 cents with student activity card and \$1 without. Since seating is limited to 80 each evening, residents were urged to make reservations by phoning the college any school day between 9 and 3.

## Audubon Films To Be Featured At Fund-Raiser

The Mt. Diablo Audubon Society will hold a fund raising potluck supper at the home of Mr. and Mrs. Glenn Shanks, 3849 Maplewood Court, Concord, June 4.

Mrs. Ingra Lusebrink and Mrs. O'Meara are dinner chairmen.

Mrs. William Hassler, program chairman, has arranged for various members to show outstanding pictures taken on field trips over the past five years.

The officers will assume their duties at this meeting. They are Mrs. Elizabeth C. O'Meara, president; Mrs. Jack Reynolds, vice president; Mrs. Frank Nemetz, secretary; George Schad, treasurer; Ferd Ruth, director.

On June 5 the society will make a morning trip up Pine Creek Canyon.

The party will assemble at 9 a.m. at the entrance gate to Castle Rock Park.

## THE EASIEST HOUSE IN TOWN

## TO KEEP CLEAN!

## your Medallion "electric" home

Housecleaning without an electric vacuum cleaner, for example, would be twice the job but actually that's only half the story!

Medallion "electric" homes don't get as dirty and they stay clean longer because they're electrically heated and many are air-conditioned. Clean, comfortable electric heat leaves no grimy, sooty walls or woodwork to scrub periodically. And dusting duties are lighter even in the driest weather when your home is electrically air-conditioned.

Cooking, too, is cleaner, cooler and automatically controlled with an electric range and oven. The family laundry takes minimum time and effort when you use an electric washer and dryer.

And although you can't see it, the more than ample wiring in a Medallion home is equally wonderful. It means all the safe electric power you need today or will want in the future to help you and your family live better electrically.

Buying a home? Look for the Medallion symbol.  
Remodeling? Call your Electrical Contractor.
